The Commission's Division of Utility and Railroad Safety ("Division"), charged with the investigation of each jurisdictional gas company's compliance with the Safety Standards, has conducted various inspections of records, construction, operation, and maintenance activities involving Eastern Gas Transmission and Storage, Inc. ("Company" or "EGTS"), the Defendant, and alleges that:

NOW THE COMMISSION, finding sufficient basis herein for the entry of this Order and in reliance on the Defendant's representations and undertakings set forth above, is of the opinion and finds that the offer of settlement set forth above should be accepted.

Accordingly, IT IS ORDERED THAT:

- (1) The captioned case is hereby docketed and assigned Case No. URS-2022-00120.
- (2) Pursuant to the authority granted to the Commission by Code § 12.1-15, the offer of settlement made by EGTS is hereby accepted.
