STATE CORPORATION COMMISSION

CASE NO. PUR-2024-00144

Ex Parte: Electric Utilities and Data Center Load Growth

SUPPLEMENTAL ORDER
SCHEDULING POST-TECHNICAL CONFERENCE COMMENTS

On December 16, 2024, the State Corporation Commission ("Commission") convened a Commissioner-led technical conference to explore current and anticipated future challenges presented by providing electric service to large-use, hyperscale customers. The technical conference was open to the public and was available for viewing via live webcast. A transcript of the technical conference will be available in the public record in this proceeding.

As previously set forth in the Commission's October 2, 2024 Scheduling Order and Notice of Technical Conference ("Notice Order"), the Commission believes it is important to ensure that all interested persons have the opportunity to submit comments responding to any or all of the topics discussed at the December 16, 2024 technical conference.

NOW THE COMMISSION, having hosted the technical conference on December 16, 2024, finds that all interested persons should be afforded an opportunity to submit post-technical conference comments, including any supporting materials, on or before January 17, 2025.

Accordingly, IT IS ORDERED THAT:

(1) On or before January 17, 2025, any person may submit post-technical conference comments by following the instructions on the Commission's website:

scc.virginia.gov/casecomments/Submit-Public-Comments. Those unable, as a practical matter,

to file comments electronically may file such comments by U.S. mail to the Clerk of the Commission, c/o Document Control Center, P.O. Box 2118, Richmond, Virginia 23218-2118.

All comments shall reference Case No. PUR-2024-00144.

(2) Within five (5) business days of entry of this Order, the Commission's Division of Public Utility Regulation ("Division") shall send a copy of this Order to all persons previously furnished copies of the October 2, 2024 Notice Order by the Division pursuant thereto, and shall promptly file with the Clerk of the Commission a certificate of transmission and include a list of names and addresses of the persons and entities to whom this Order was transmitted.

(3) This matter is continued.

A COPY hereof shall be sent electronically by the Clerk of the Commission to all persons on the official Service List in this matter. The Service List is available from the Clerk of the Commission.
