AT RICHMOND, August 22, 2023
ADMINISTRATIVE ORDER NO. 12176

APPLICATION OF THE VIRGINIA AUTOMOBILE INSURANCE PLAN

To amend the Virginia Automobile Insurance Plan's manual of rules, rates, forms and Plan of Operations to provide for writing insurance upon applicants assigned by the Virginia Automobile Insurance Plan.

By submission received from the Automobile Insurance Plans Service Office on April 28, 2023, the Virginia Automobile Insurance Plan, on behalf of its members, requested approval of the following revisions to the commercial auto manual:

The Plan Introduction and Sections 23 and 32 rules regarding Transmittal of Applications and Application Submission Procedures were revised to accommodate commercial applications being submitted electronically using the Electronic Application Submission Process (EASi). Plain paper applications may only be submitted as an alternate if EASi is unavailable.

The current paper Auto Dealers Application AIP 7652 is being eliminated and the Commercial Truckers/Auto Dealer's Application, AIP 7651 has been updated.

Now, the Commissioner of Insurance, having considered the recommendation of the staff of the Bureau of Insurance, that the proposed filing is proper and not in conflict or inconsistent with the laws of Virginia, finds and orders that:

- (1) the proposed amendments are approved in Virginia for use by the members to the Virginia Automobile Insurance Plan, for new and renewal policies effective on and after October 1, 2023; and
- (2) an attested copy of this order be sent to the Automobile Insurance Plans Service Office, 302 Central Avenue, Johnston, Rhode Island 02919-5095; to Sandy Crayton, Manager, Virginia Automobile Insurance Plan, P.O. Box 6530, Providence, Rhode Island, 02940-6530; and to the Deputy Commissioner of Insurance of the Property and Casualty Division.
