If the name of the limited partnership does not contain the words “limited partnership” or “a limited partnership” or the abbreviation “L.P.” or “LP,” the limited partnership must add one of the foregoing to its name for use in Virginia. If the limited partnership’s real name is unavailable, it must adopt a designated name for use in Virginia. State the designated “for use in Virginia” name in parentheses on the first line of the application, following the limited partnership’s real name. See §§ 50-73.54 and 50-73.56 of the Code of Virginia. To check the availability of a limited partnership name, please visit https://cis.scc.virginia.gov.

The original date of formation refers to the original date of organization, formation or incorporation as an entity.

If the limited partnership was previously authorized or registered with the Commission to transact business in Virginia as a foreign corporation, limited liability company, business trust, limited partnership or registered limited liability partnership, with respect to every such prior authorization or registration, set forth, on an attachment, the name of the entity, the entity’s type, the state or other jurisdiction of incorporation, organization or formation; and the identification number that was issued to the entity by the Commission.

The address of the principal office must include a street address. A rural route and box number may only be used if no street address associated with the principal office’s location. See § 50-73.54 of the Code of Virginia.

A limited partnership may not serve as its own registered agent.

The registered office address, which is identical to the registered agent’s business office address, must include the street and number, if any. See § 50-73.54 of the Code of Virginia. A rural route and box number may only be used if no street address is associated with the location of the registered agent’s business office. A post office box is only acceptable for towns/cities that have a population of 2,000 or less if no street address or rural route and box number is associated with the location of the registered agent’s business office. Set forth the name of the county or independent city in which the office is physically located. Counties and independent cities in Virginia are separate local jurisdictions.

Use an attachment to set forth additional general partner names and addresses. If a general partner is a business entity, this application must include the jurisdiction under whose laws the general partner is incorporated, organized or formed, and, if the general partner is of record in the Clerk’s Office of the State Corporation Commission, the SCC ID number assigned to the general partner. See § 50-73.54 of the Code of Virginia.

The application must be signed in the name of the limited partnership by a general partner. Each person signing this application must set forth his or her printed name next to or beneath his or her signature. A person signing on behalf of a general partner that is a business entity should set forth the business entity’s name, his or her printed name, and the capacity in which he or she is signing on behalf of the business entity. Any person may sign the application by an attorney-in-fact. See § 50-73.15 B of the Code of Virginia.

It is a Class 1 misdemeanor for any person to sign a document he or she knows is false in any material respect with the intent that the document be delivered to the Commission for filing. See § 50-73.15 C of the Code of Virginia.
