STATE CORPORATION COMMISSION
BUREAU OF INSURANCE

1978-8

July 31, 1978

Virginia Code Section 38.1-76 requires that all forms of title insurance policies and interim binders which are customarily used by any company in connection with the insurance of titles to property located in Virginia shall be filed with the Commission.

Due to a recent change in organizational procedures we find it necessary to request that you file with the Commission a copy of all policy forms, including interim binders and endorsements, currently being used in connection with insurance of titles to property located in this state. We also request that you file a copy of any "Insured Closing Service Agreement", "Closing Protection Letter", or whatever other document in use by your company which may serve the same purpose. It is anticipated that the Commission will more actively monitor the use and filing of such forms in the future.

Thank you for your cooperation in this matter.

Very truly yours,

Judy Noel Riddle
