

**BUREAU OF INSURANCE REGULATION
ACTIVITIES FOR THE FISCAL YEAR ENDING JUNE 30, 2022**

The regulation of insurance was transferred to the State Corporation Commission from the Auditor of Public Accounts in 1906. The Bureau of Insurance (Bureau) has licensed and examined the affairs of insurance companies since that time. Here in the Commonwealth of Virginia, the functions of the Bureau have increased with the complexity and importance of insurance in our daily lives. In keeping with the Commission's mission, Bureau staff strives to balance the interests of insurance consumers with its duty to regulate Virginia's business responsibly.

The Bureau is divided into the following five divisions: The Financial Regulation Division licenses, analyzes, and examines insurance companies and, if necessary, takes steps to resolve financial problems before a company becomes unable to meet its obligations; the Life and Health Market Regulation Division regulates the activities of life insurers, accident and sickness insurers, health service plans, and health maintenance organizations; the Property and Casualty Market Regulation Division regulates the activities of property and casualty insurers (automobile and homeowners); the Agent Regulation Division licenses and regulates the activities of licensed insurance agents, agencies and public adjusters; and the Policy, Compliance and Administration Division monitors state and federal legislation impacting insurance regulation, prepares reports and studies for the Bureau, collects various special taxes and assessments on insurance companies, and supports the other Bureau divisions in an auxiliary role in performing their respective regulatory functions.

The regulatory functions of the Bureau include: (1) monitoring the activities of insurance agents, agencies and public adjusters to ensure their actions comply with state law; (2) answering questions and assisting consumers with problems concerning insurance companies or agents by investigating consumer complaints; (3) conducting on-site field examinations of insurance company practices in Virginia to ensure compliance with state law and to verify whether claims are paid on a timely basis, underwriting decisions are not unfairly discriminatory, and that marketing materials are not misleading; (4) promoting and protecting the interests of covered persons under managed care health insurance plans (MCHIP) and assisting consumers in understanding and exercising their rights of appeal of adverse decisions made by MCHIPs; and (5) evaluating insurance policies and rates to ensure compliance with state law, that policies are written in understandable language, and that premiums charged are reasonable and not unfairly discriminatory.
