Prospective applicants should contact the Bureau about their intention to establish a dental plan organization in Virginia. By doing so, the applicant will have the opportunity to submit a more thorough and acceptable application.

The following definitions may prove useful in reviewing these requirements:

"Dental plan" means a contractual arrangement for dental services provided or arranged for, that pays benefits or is administered on an individual or group basis. A dental plan includes, but is not limited to, an arrangement where fixed indemnity benefits are paid to an individual or provider for dental services.

"Dental plan organization" means a company that provides directly or arranges for a dental plan.

Any business entity, which is not an individual or sole proprietorship, may apply for a license to operate a Dental Plan Organization pursuant to [§ 38.2-6102](#) of the Code of Virginia. A "prepaid dental services plan" organized under [Chapter 45](#) (§ 38.2-4500 et seq.), a "health maintenance organization" or "limited health care services plan" licensed to provide dental services under [Chapter 43](#) (§ 38.2-4300 et seq.), any "health service plan" licensed under [Chapter 42](#) (§ 38.2-4200 et seq.), or any "insurer" whose activities are regulated under other provisions of [Title 38.2](#), **cannot conduct the business of a dental plan organization.**

## **LICENSE REQUIREMENTS**

1. Each license application, along with the required attachments, must be accompanied by a nonrefundable application fee of \$500 payable to the Treasurer of Virginia ([§ 38.2-6103 A of the Code of Virginia](#)).
2. If the applicant intends to operate as a **Virginia-domestic business entity**, it must secure the proper certification from the Clerk's Office of the State Corporation Commission (Clerk's Office). If the applicant is a **foreign business entity**, it must secure the proper Certificate of Authority from the Clerk's Office. These certifications are in addition to the license received from the Bureau. Foreign business entities may file with the Clerk's Office during the tentative approval stage of the application. Applicants may contact the Clerk's Office at (804) 371-9733, or the web site at [www.scc.virginia.gov/clk](http://www.scc.virginia.gov/clk) for instructions on filing.
