Administrative Letter 2020-04

To: Pharmacy Benefits Managers; All Carriers Licensed to Write Accident and Sickness Insurance in Virginia; All Health Services Plans and Health Maintenance Organizations Licensed in Virginia; and Life and Health Interested Parties

Re: Licensure Requirements and Certain Prohibited Conduct

During its 2020 Session, the Virginia General Assembly passed Acts of Assembly Chapters 219 and 1288 (House Bill 1290 and Senate Bill 251, respectively), related to the licensing of pharmacy benefits managers and certain prohibited conduct by carriers and pharmacy benefits managers. Please see §§ 38.2-3465 through 38.2-3470 of the Code of Virginia (Code). This legislation is effective October 1, 2020.

Under § 38.2-3466 of the Code, any person providing pharmacy benefits management services or otherwise acting as a pharmacy benefits manager in the Commonwealth on or after October 1, 2020, shall obtain a license from the Bureau of Insurance (Bureau), unless otherwise covered by a carrier’s license. To obtain this initial license, a person must complete and submit the attached application and pay a $250 nonrefundable fee. The Bureau will begin accepting applications immediately. Please allow up to 30 days for processing.

Licenses will be renewable annually for the period October 1 through September 30 in the year following initial issuance. To renew the license, a licensed pharmacy benefits manager must submit a renewal application and pay a $100 nonrefundable renewal fee.

1 If pharmacy benefits management is performed within and under the authority of the carrier’s license, then no separate pharmacy benefits manager license is required.
The Bureau also encourages carriers and pharmacy benefit managers to be aware of the conduct prohibited under the new law in § 38.2-3467, related to advertisements, claims adjudication fees, reimbursements for services, network restrictions or adequacy determinations, retaliation for exercising rights and spread pricing.
