THE STATE CORPORATION COMMISSION

The State Corporation Commission (“Commission”) is an independent state agency established by the Constitution of Virginia. The Commission is organized as a fourth branch of government with its own legislative, administrative, and judicial powers. The Commission’s authority encompasses utilities, insurance, financial institutions, securities, retail franchising, and railroad safety. It is the state’s central filing office for corporations, limited partnerships, limited liability companies and Uniform Commercial Code liens. The Commission also assesses public service corporations for state and local taxation.

THE BUREAU OF FINANCIAL INSTITUTIONS

The State Corporation Commission’s Bureau of Financial Institutions (“Bureau”) is responsible under Title 6.2 of the Code of Virginia for the regulation and supervision of all depository and non-depository financial institutions. Depository institutions are comprised of state-chartered banks, savings institutions, and credit unions. Non-depository institutions consist of trust companies, industrial loan associations, consumer finance companies, mortgage lenders and brokers, mortgage loan originators, money transmitters, credit counseling agencies, check cashers, sales-based financing providers, short-term lenders, motor vehicle title lenders, debt settlement services providers, and qualified education loan servicers. Each is required to obtain a license from the Commission, with the exception of check cashers and sales-based financing providers, which are required to register pursuant to Chapter 21 and Chapter 22.1 of Title 6.2 of the Code of Virginia, respectively.

Within the Bureau, the Administration & Licensing Section is responsible for processing and investigating all applications filed by depository and non-depository financial institutions for certificates of authority and licenses, and for processing check casher and sales-based financing provider registrations. The Non-Depository Supervision Section is responsible for the supervision (examination) of all non-depository institutions, with the exception of trust companies. The Depository Supervision Section supervises banks, credit unions, savings institutions and trust companies.

Chapter 26 of Title 6.2 of the Code of Virginia, which requires qualified education loan servicers to obtain a license from the Commission, became effective as law on July 1, 2021. Qualified education loan servicer licensees are prohibited from, among other things, (a) misrepresenting the amount, nature, or terms of any fee or payment due or claimed to be due on a qualified education loan, the terms and conditions of the loan agreement, or the borrower’s obligations under the loan; (b) misapplying loan payments to the outstanding balance of a qualified education loan; and (c) failing to report both the favorable and unfavorable payment history of the borrower to a nationally recognized consumer credit bureau at least annually if the loan servicer regularly reports information to such a credit bureau. Violations are subject to a civil penalty not exceeding \$2,500 and are prohibited practices under the Virginia Consumer Protection Act.

The Bureau received 9 application filings from prospective qualified education servicer licensees and one application for permission to acquire control of an existing qualified education servicer
