MARKET VALUE ADJUSTMENT PRODUCTS

These products are commonly known as Modified Guaranteed Annuities (MGA) or Modified Guaranteed Life Insurance (MGL). The form requirements for these types of filings are the same as for any other life insurance and annuity product with the exception of the additional requirements set forth in this checklist. Please see the appropriate checklist for the product being filed. For example, for MGA's, if you are filing an individual annuity contract, you will also need to refer to the **“Individual Annuity”** checklist and, for MGL's, if you are filing an individual life insurance policy, you will need to refer to the **“Individual Life”** checklist.
