July 13, 1990

Administrative Letter  
1990-9

**TO: RATE SERVICE ORGANIZATIONS AND ALL COMPANIES LICENSED  
TO WRITE MOTOR VEHICLE INSURANCE IN VIRGINIA**

**RE: POINT ASSIGNMENT UNDER A SAFE DRIVER INSURANCE PLAN**

Virginia Code Section 38.2-1905 pertaining to points for at-fault accidents under a safe driver insurance plan has been amended by HB 1050. This amendment requires insurers to assign points under a safe driver insurance plan to the vehicle customarily driven by the operator responsible for incurring the points. This requirement applies to all policies effective on and after January 1, 1991.

All insurers writing motor vehicle insurance must review their classification and point assignment rules on file with the Bureau of Insurance to verify that they are in compliance with this new requirement. Any classification or rule not in compliance must be amended to the effect that points are to be assigned to the vehicle customarily driven by the operator responsible for incurring the points. All revisions to filings must be received so that they may be utilized with policies effective on and after January 1, 1991.

Sincerely,

Steven T. Foster  
Commissioner of Insurance
