STATE CORPORATION COMMISSION DIVISION OF UTILITY ACCOUNTING AND FINANCE

December 5, 2024

Re: Case No. PUE-2003-00224 - Interest on Customer Deposits

The Commission issued a rule in its Final Order in Case No. PUE-2003-00224, which requires each utility to pay interest on customer deposits at a rate equal to the average of one-year constant maturity Treasury rates for September, October, and November of the preceding year. The order directs the Commission Staff to notify each utility in December of the rate that will prevail through the following calendar year. **In accordance with that order, the interest rate for 2025 will be 4.2% for investor owned utilities and for cooperatives the interest rate will be 3.1%.**
