2021 ANNUAL REPORT**

THE STATE CORPORATION COMMISSION

The State Corporation Commission (“Commission”) is an independent state agency established by the Constitution of Virginia. The Commission is organized as a fourth branch of government with its own legislative, administrative, and judicial powers. The Commission’s authority encompasses utilities, insurance, financial institutions, securities, retail franchising, and railroad safety. It is the state’s central filing office for corporations, limited partnerships, limited liability companies and Uniform Commercial Code liens. The Commission also assesses public service corporations for state and local taxation.

THE BUREAU OF FINANCIAL INSTITUTIONS

The State Corporation Commission’s Bureau of Financial Institutions (“Bureau”) is responsible under Title 6.2 of the Code of Virginia for the regulation and supervision of all depository and non-depository financial institutions. Depository institutions are comprised of state-chartered banks, savings institutions, and credit unions. Non-depository institutions consist of trust companies, industrial loan associations, consumer finance companies, mortgage lenders and brokers, mortgage loan originators, money transmitters, credit counseling agencies, check cashers, short-term lenders, motor vehicle title lenders, debt settlement services providers, and qualified education loan servicers. Each is required to obtain a license from the Commission, with the exception of check cashers, which are required to register pursuant to Chapter 21 of Title 6.2 of the Code of Virginia.

Within the Bureau, the Administration & Licensing Section is responsible for processing and investigating all applications filed by depository and non-depository financial institutions for certificates of authority and licenses, and for processing check casher registrations. The Non-Depository Supervision Section is responsible for the supervision (examination) of all non-depository institutions, with the exception of trust companies. The Depository Supervision Section supervises banks, credit unions, savings institutions and trust companies.

As of December 31, 2021, the Bureau of Financial Institutions regulated 17 consumer finance companies operating 187 offices, 6 short-term lenders operating 38 offices, 1 motor vehicle title lender operating from a single office, and 369 check casher registrants. During 2021, the Bureau of Financial Institutions received 27 applications for consumer finance licenses, 21 applications to open or relocate consumer finance offices, 3 notifications to conduct consumer finance business and other business at the same location, 1 application for a short-term lender license, and 38 check casher registrations. No applications were received for motor vehicle title lenders in 2021.

During 2021 the Commission revoked 15 check casher registrations for failure to pay their annual registration fees as required by § 6.2-2103 of the Code of Virginia. No enforcement actions were completed in 2021 pursuant to Chapters 18 (short-term lenders) or 22 (motor vehicle title lenders) of the Code of Virginia, nor were any such enforcement actions pending at the end of the year.
