RE: Notice of Intent to Construct an Electric Generating Facility with Rated Capacity of 5 MW or Less

Dear Mr. Stephens:

Pursuant to Virginia Administrative Code 20VAC5-302-10, which states that persons desiring to construct electric generating facilities with rated capacities of 5 MW or less shall "submit a letter to the Director of the Division of Energy Regulation stating the location, size and fuel type of the facility," please accept this letter as SolAmerica Energy's notice of intent to construct a 4.875 MW solar PV electric generating facility in Amherst, Virginia.

The latitude and longitude of the facility is as follows: 37°33'13.6"N 79°01'03.0"W

If you have any questions or concerns, please contact Tony Yonnone via phone at 612-749-1071 or email at tyonnone@solamericaenergy.com.

Very respectfully,
