**THE STATE CORPORATION COMMISSION**

The State Corporation Commission (“Commission”) is an independent state agency established by the Constitution of Virginia. The Commission is organized as a fourth branch of government with its own legislative, administrative, and judicial powers. The Commission’s authority encompasses utilities, insurance, financial institutions, securities, retail franchising, and railroad safety. It is the state’s central filing office for corporations, limited partnerships, limited liability companies and Uniform Commercial Code liens. The Commission also assesses public service corporations for state and local taxation.

**THE BUREAU OF FINANCIAL INSTITUTIONS**

The State Corporation Commission’s Bureau of Financial Institutions (“Bureau”) is responsible under Title 6.2 of the Code of Virginia for the regulation and supervision of all depository and non-depository financial institutions. Depository institutions are comprised of state-chartered banks, savings institutions, and credit unions. Non-depository institutions consist of trust companies, industrial loan associations, consumer finance companies, mortgage lenders and brokers, mortgage loan originators, money transmitters, credit counseling agencies, check cashers, short-term lenders, motor vehicle title lenders, debt settlement services providers, and qualified education loan servicers. Each is required to obtain a license from the Commission, with the exception of check cashers, which are required to register pursuant to Chapter 21 of Title 6.2 of the Code of Virginia.

Within the Bureau, the Administration & Licensing Section is responsible for processing and investigating all applications filed by depository and non-depository financial institutions for certificates of authority and licenses, and for processing check casher registrations. The Non-Depository Supervision Section is responsible for the supervision (examination) of all non-depository institutions, with the exception of trust companies. The Depository Supervision Section supervises banks, credit unions, savings institutions and trust companies.

As of December 31, 2021, the Bureau of Financial Institutions regulated 578 mortgage brokers with 762 offices, 205 mortgage lenders with 1,025 offices, 326 mortgage lenders and brokers with 2,293 offices, and 31,115 mortgage loan originators.

During 2021, the Bureau received 361 applications for mortgage lender/broker licenses, 1,342 applications to establish additional mortgage lender/broker offices, 37 applications and for permission to acquire control of existing mortgage lender/broker licensees, 11,585 applications for mortgage loan originator licenses, 4 exempt mortgage lender/broker registrations, and 2 applications for determination of a bona fide nonprofit status. The 13,329 total filings established a new annual record for mortgage-related applications in Virginia, surpassing last year’s total by nearly 38%. A table summarizing annual final dispositions for mortgage-related applications and other status changes for mortgage licensees follows.
