RESERVE FUNDING

Historical Perspective

LifeSpire was established originally as a benevolent ministry to the aged Baptists of Virginia. As a benevolent ministry, the original residents were generally persons with limited financial resources. The procedure, in early years, was to transfer what limited resources the resident possessed, along with what income he/she was receiving, to the corporation in exchange for life care. These funds were not escrowed on behalf of specific residents, but were used as needed to cover current expenses, to expand the then existing facilities, and to construct new facilities. The total concern in that day was to provide, as funds were available, care for the largest number of residents in need of benevolence as possible. Baptist churches throughout Virginia viewed this as a ministry and were generous in the raising of funds for specific financial needs as they occurred. Funds not needed on an immediate basis were invested in the manner deemed best by management of the corporation. Any indebtedness was kept as low as possible.

As residents with greater resources entered the communities, their funds were used to a great extent for construction costs and to retire capital improvement debts.

In July 2014, The Glebe issued two series of bonds totaling \$41,155,000, The Glebe Series 2014A and 2014B bonds. These bonds were used to refund the outstanding Series 2012A bonds and, along with a partial forgiveness in accordance with their provisions, the 2012B bonds in full. At that time, The Glebe Series 2012A and 2012B bonds were cancelled and extinguished. In conjunction with this transaction, The Glebe recognized a net gain on extinguishment of \$18,468,511. The Series 2014A and 2014B bonds are collateralized by a deed of trust of certain facilities of The Obligated Group as well as a security interest in certain other assets and property.

In October 2016, the Obligated Group issued a series of bonds totaling \$85,505,000, the LifeSpire Series 2016 bonds. These bonds were used to refund all remaining outstanding Series 2003 and 2006 bonds, as well as a bank line of credit that was obtained in 2015 to fund capital expenditures. The Series 2016 bonds are collateralized by a deed of trust of the Obligated Group's facilities as well as a security interest in certain other assets and property.

In July 2017, the Obligated Group issued notes to two banks, related to EDA of Culpeper County, Virginia, Series 2017A and 2017B bonds, for \$30,000,000 and \$18,112,000, respectively, to fund the project costs of replacing the Assisted Living and Health Care buildings at The Culpeper, which were more than sixty years old. While these bonds carry variable interest rates, concurrent interest rate swap transactions were executed to hedge the associated interest rate risk. The Series 2017A & B bonds are collateralized by a deed of trust of the Obligated Group's facilities as well as a security interest in certain other assets.

In December 2017, the Obligated Group issued two series of bonds in the amounts of \$49,750,000 (Series C) and \$23,250,000 (Series D) to the public and a bank, respectively. Series 2017C are fixed rate bonds with up to a thirty-year maturity, while Series 2017D is a variable rate bond with a maturity of five years, intended to be retired using entrance fee receipts from new independent living units (Series 2017D was paid off in December 2020). These bonds are intended to i) fund strategic improvements at Lakewood, ii) fund a memory support neighborhood at The Glebe, and iii) pay off The Glebe's Series 2014B bonds. The Series 2017C & D bonds are collateralized by a deed of trust of the Obligated Group's facilities as well as a security interest in certain other assets.

In conjunction with the Series 2017C & D transactions discussed above, The Glebe became a member of the Obligated Group and The Glebe's existing debt became equally and ratably secured under the Obligated Group's master trust indenture. The primary objective of this restructuring was to help align and integrate the operations of all LifeSpire communities to promote their mutual goals and better fulfill their collective mission.

In August 2021, the Obligated Group issued Series 2021 fixed rate bonds with up to a thirty-year maturity in the amount of \$77,875,00 and a 2021 Taxable Loan of \$15,494,000 with up to a five-year maturity. Funds were used to refund the Series 2017A and 2017B, terminate the swap agreement, and to finance construction of cottages at The Culpeper and Lakewood and the purchase of The Summit in Lynchburg, VA. The 2021 Taxable loan is to be repaid with entrance fees from the new cottages at The Culpeper and Lakewood.

Equity, Position on Property, Plant, and Equipment

The 2021 Audited Financial Statements for LifeSpire list Property, Plant, and Equipment, less accumulated depreciation, at \$253,753,800 with a total of \$258,755,483 in outstanding debt.

Agreement Provision for Escrowing of Entrance Fees

Since there is no requirement by the Bureau of Insurance to escrow deposits of \$1,000 or less received by the Community prior to the date the resident is permitted to occupy a residence in the Community, there is no provision in the Fee for Service Residency Agreement that Entrance Fees be escrowed.

Position Relating to Future Funding of Entrance Fees

LifeSpire annually calculates the present value of the net cost of future services and use of facilities to be provided to current residents and compares that amount with the balance of deferred revenue from advance fees. If the present value of the net cost of future services and use of facilities exceeds the deferred revenue from advance fees, a liability is recorded (obligation to provide future services). The obligation is discounted at 5.5% in both 2021 and 2020, based on the expected long-term rate of return on investments. Increases or decreases in the obligation are charged or credited to operations, respectively. As of December 31, 2021, and 2020, LifeSpire had no future service obligation.

RESTRICTED FUNDS INFORMATION

Net Assets with Donor Restrictions

These include net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates those resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource has been fulfilled, or both.

Contributed Support

LifeSpire's policy is to provide care to residents regardless of their ability to pay, or the amount of assistance they receive from governmental programs or from outside donations. LifeSpire funded from contributed support approximately \$1,217,000 and \$1,184,000 benevolent assistance and contractual adjustments for its residents in 2021 and 2020, respectively.

Donor-Restricted Gifts

Unconditional promises to give cash and other assets are accrued at estimated fair market value at the date each promise is received. Management reports contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported as an increase in net assets without donor restrictions. Income earned on net assets with donor restrictions, including capital appreciation, is recognized in the period earned.

Depreciation Funding

Annual depreciation costs are not currently being funded in a separate restricted fund at any of the communities. While LSV does not presently have a funded depreciation policy or restricted-purpose funded depreciation accounts, beginning in 2015 they began segregating a portion (the present consolidated target is 25%) of net entrance fee cash receipts into Entrance Fee Reserve accounts that were established for each community. While these accounts are not restricted, their intended purpose is to support cash requirements for capital expenditures and entrance fee refunds.

Refunding and Amortization of Entrance Fees

For financial reporting purposes, LifeSpire complies with Generally Accepted Accounting Principles, which require the amortization of Entrance Fees over the actuarially estimated life expectancy of each resident, adjusted annually.

For refund purposes, Entrance Fees are amortized over their contractually stipulated timeframe (generally 50 months). Residents who elect to withdraw or who expire before their Entrance Fee is fully amortized will be refunded any unamortized portion thereof, less a predetermined administration fee. Funds needed for this purpose based on historical trends for 2021 would be about \$5,451,000 for all communities. These funds can be drawn out of the General Fund without adverse effect on the cash flow of the corporation.

Investment Position of LifeSpire

It is the position of LifeSpire to invest all funds as judiciously as possible. Investments are made in quality investment instruments to reduce the risk factor to safe levels. Investments are managed by the Investment Committee of the Board of Trustees of LifeSpire.

Our strong financial position allowed us to become Fitch rated in 2020 and this rating was reaffirmed in 2021. Our current rating is BBB with a stable outlook.

AUDITED FINANCIAL STATEMENTS

Included are the audited financial statements of Virginia Baptist Homes, Incorporated and Subsidiaries for the years ended December 31, 2021 and 2020, with supplemental information and the opinion of independent accountants. Under generally accepted accounting principles, the financial statements of The Summit are consolidated with those of Virginia Baptist Homes, Incorporated, d/b/a LifeSpire of Virginia ("LSV") and five other entities under common control (collectively the "LSV Family"). Though balance sheet and income statement accounts for each individual corporation are consolidated in the financial statements, no LSV entity is liable for any indebtedness of any other LSV entity other than the limited cross liability of the LSV Obligated Group for the LSV Long-Term Debt. The LSV Obligated Group consists of LSV, The Culpeper, Lakewood, The Chesapeake, The Glebe, and The Summit. Each of these entities is a legally separate corporation but each, including The Summit, is legally obligated for payment of certain indebtedness (the "Obligated Group Debt") incurred under a Master Trust Indenture dated as of October 1, 2016, as amended and revised. The Obligated Group Debt consists of the outstanding bonds that are described in the Historical Perspective section.

Virginia Baptist Homes Foundation, Inc. is not a member of the LSV Obligated Group. Also excluded from the LSV Obligated Group are certain defined parcels of land located in Culpeper, Virginia and Daleville, Virginia

Revenues:

Combined revenues for LSV of \$108.2M through Q4 2021 and exceeded the previous year's results by \$13.0M. The favorable increase over the prior year was due to a \$4.8M increase in Residential Service income as the result of new cottages at The Culpeper, the acquisition of independent and assisted living at The Summit in Lynchburg, VA and driving occupancy levels at all the communities coupled with an average 2.45% increase in monthly rates. Health Care Service remained flat at \$23.6M which was the result of COVID-19 limiting outside admissions for Medicare A rehabilitation stays. Investment income was strong at \$4.3M, up from the prior year by \$2.7M. Loans received in 2020 under the CARES Act Payroll Protection Program were forgiven and \$7.3 million recognized in revenue.

Combined Independent Living ("IL") unit occupancy for The Group averaged 819 through Q4, 9 unit more than the Q4/2020 average adjusted for the addition of The Summit IL occupancy which averaged 97 units.

Operating Expenses:

Combined operating expenses for LSV of \$104.4M through Q4 2021 were \$10.7M more than the previous year. 'Salaries, wages and professional fees' exceeded the previous year by \$3.5M; this variance was primarily due to i) salary administration programs aimed at specific high-turnover positions, that were budgeted to help address industry-wide staffing challenges in our operating areas which caused a move to a minimum \$15 per hour staring wage for all positions, ii) overtime to cover positions necessary for resident care that were open due to turnover, other exigencies, and the COVID-19 Pandemic, iii) average merit increases for staff of 4.0%, and iv) the addition of The Summit staffing due the acquisition October 1, 2021. While staffing and staff retention are a concern to the entire senior living industry in this time of economic uncertainty, The Group's leadership and communities continue to work diligently to prudently manage its labor-related costs without adversely impacting service to our residents.

Depreciation and Interest expense were up over the prior year \$1.3M and \$1.1M respectively and are primarily the result of the Summit acquisition. Other (non-staffing related) operating expenses are \$4.9M more than the previous year and are related to the continuing cost brought on by the COVID-19 Pandemic, the acquisition of The Summit, and rising inflation which is driving up food and supply costs.

Entrance Fee Deferrals:

New entrance fee deferrals granted were \$511K more than collections of previously deferred entrance fees through Q4, 2021, increasing The Group's outstanding entrance fee deferral balance to \$3.6M on December 31, 2021. We expect that most of the presently outstanding deferrals will be collected over the next six months.

Net Entrance Fee Receipts:

Net entrance fee receipts through Q4, 2021 were \$21.8M, versus \$21.0M through Q4, 2020. Average Independent Living occupancy was up 0.7% over the prior year while average Assisted Living occupancy was down 2.3% due to COVID-19.

Financial Ratios and Covenant Compliance:

Interim calculations indicate that, as shown below, The Group's financial ratio covenants, calculated in accordance with the definitions in the applicable bond documents, continue to have been exceeded as of December 31, 2021. Please note that deferred entrance fees are not included in the Debt Service Coverage Ratio calculation.

Note: The Summit Assisted Living (AL) and Independent Living (IL) buildings were purchase from Centra Health on October 1st, 2021. Therefor there is no comparable information for 2020.

Revenues:

Total Resident Income for the final three months of 2021 were right in line with expectations and projections made prior to the purchase of The Summit AL and IL. Our modeling indicated annual resident revenue at the 2021 rates ranging from \$7.0M to \$7.2M. Expectations are for revenue to increase to \$7.4M for 2022.

Operating Expenses:

Total Operating Expenses for final three months of 2021 were slightly above our projections by about \$150K. This was primarily due to expenses incurred prior to the acquisition which were financing cost related to the Series 2022 bond financing which occurred in August 2021 in anticipation of a September 1st acquisition and hiring of an Executive Director to run the community. In addition, increased salaries for transitioning staff and food cost inflation were greater than planned. Also, LifeSpire moved to a \$15 per hour minimum starting wage for all team members.

PRO FORMA INCOME STATEMENT FOR LIFESPIRE

A summary copy of the 2022 operating budget (pro forma income statement) is included. The detailed budget was developed by both the management of the retirement communities and LifeSpire, reviewed by the Finance Committee of the Board of Trustees, with final approval by the full Board of Trustees. In the preparation of this budget, the following major assumptions were used:

1. We are projecting the following average occupancy for 2022:

	12/31/22
Capacity	
Independent Living	101
Assisted Living	43
Total	144
Occupancy	
Independent Living	94.0
Assisted Living	41.0
Total Occupancy	135.0
% Occupancy	
Independent Living	93.1%
Assisted Living	95.3%
% Total	93.8%

- 2. Revenue increases were driven by monthly fee increases of 5.0% in 2022.
- 3. Annual wage rate increases are assumed to average 3.0% in 2022, which is 0.5% higher than LifeSpire's 2021 increase. Some position-specific market driven changes may vary from this average.
- 4. Budgeted "controllable" (i.e., non-salary related) operating expenses for 2022 are estimated to generally increase by 3.0% to 5.0% over 2021 forecast results due to various program changes offsetting anticipated inflation. There are minor specific variations to reflect known circumstances and to improve market comparability, resident care, or regulatory compliance.

Note: The Summit Assisted and Independent Living buildings were purchase from Centra Health on October 1st, 2021. Financial projections were done for the three months ending 2021 in which these buildings were owned and operated by LifeSpire of Virginia. However, a formal annual budget for 2021 was not created and is the reason we have not present a two-year budget comparison for 2021 and 2022.

Admission of New Residents

To be eligible for admission to independent living residences at The Summit, prospective residents must be capable of living safely in a residential setting and must be able to demonstrate the availability of financial assets and income sufficient to support their residency at The Summit.

You have the right to rescind this Agreement without penalty or forfeiture of any portion of the Entrance Fee within seven (7) days after executing the Agreement. The Monthly Fee will be prorated for the number of days you occupied the Residence and that amount will be deducted from the refund. You shall not be required to move into the Community before expiration of the seven (7) day period. If before moving into the Community, you die or are precluded through illness, injury or incapacity from becoming a resident under the terms of this Agreement, this Agreement is automatically rescinded and you (or your representative) shall receive a full refund, less those costs specifically incurred by us at your request and set forth in a separate addendum signed by both you and us. You are considered to have moved into the Community upon the sooner to occur of (i) your actually physically occupying your Residence (including by placing any of your furniture into the Residence) or (ii) thirty (30) days after you pay the balance of your Entrance Fee.

Each prospective resident will submit a two-part health assessment form which includes a health history and a physician assessment of the prospective resident's ability to live safely in a residential setting. Each prospective resident may also be asked to participate in an interview with The Summit's Wellness Clinic representative.

Each prospective resident submits a financial statement which quantifies the resident's assets and income. The Summit's staff assesses the resident's resources and compares them with the projected expenses of occupancy. During the admission process, The Summit staff will review the adequacy of resources with the prospective resident.

Access to the Facility by Non-Residents

The Summit is designed primarily for the use of residents who enter into a Fee for Service Residency Agreement with the provider. Because the residents of retirement communities have generally been actively involved in community life, it is common for community areas to be available on a scheduled basis for use by community groups. Individuals who need care that can be provided in an Assisted Living Residence will be eligible for admission on a per diem or monthly basis under contracts that do not constitute continuing care contracts.

The Summit has established a Residents' Council which will have regular opportunities to influence many of the policies that govern life in the retirement community, in cooperation with staff and Board of Directors of The Summit. Use of the community by outside groups is one of those areas.

PROCEDURE FOR RESIDENT TO FILE A COMPLAINT OR DISCLOSE CONCERN

LifeSpire welcomes the active involvement of residents and provides multiple opportunities for participation in governance. All residents are members of the Resident Council and are invited to participate on numerous committees to provide input, suggestions and direction that impact community life. In addition, LifeSpire conducts quarterly meetings with an ad hoc Resident Advisory Committee ("RAC") generally made up of the resident council president and other residents interested in operating metrics and financials; investment results; Board of Trustees focus areas; and strategic direction and initiatives for the community and the organization. Finally, to promote communication and engagement, LifeSpire's Board of Trustees established a formal board committee, the Resident Engagement Committee, which meets twice annually with the Board's executive committee.

Resident Council and Corporate Governance

Virginia Baptist Homes, Inc. dba LifeSpire of Virginia ("LifeSpire" or "LSV") serves as the management company for the community. LifeSpire is governed by a Board of Trustees who serve voluntarily to set the strategic direction, ensure the necessary resources and provide oversight as fiduciaries who are entrusted with the long-term sustainability of the organization. The Members of the Board of Trustees for LifeSpire also serve as the Members of the Board of Trustees for each LifeSpire community.

While residents do not serve on the LifeSpire Board of Trustees, LifeSpire welcomes the active involvement of residents and provides multiple opportunities for participation in governance. The primary channel is the Resident Council. All residents of the community are automatically members of the Resident Council and are invited to participate on numerous committees to provide input, suggestions and direction that impact community life.

In addition, LifeSpire conducts quarterly meetings with an ad hoc Resident Advisory Committee ("RAC"). The RAC is generally made up of the Resident Council President and other residents interested in operating metrics and financials, investment results, Board of Trustees focus areas and strategic direction and initiatives for the community and the organization. LifeSpire management generally shares the same reports that are provided to the Board of Trustees.

LifeSpire takes great pride in being open and transparent. To promote communication and engagement, the Board of Trustees established a formal board committee, the Resident Engagement Committee, which meets twice annually with the Board's executive committee.

The council and committee structures are shown below.

Resident Council

- Community-led programs
- LSV participates as needed or as requested
- Occurs at community on community's timeline

Resident Advisory Committee

- Voluntary participation from resident population with interest in financial performance of community and LSV
- Executive Director determines participants
- LSV team produces the agenda and leads the meeting
- Occurs at communities quarterly and typically after the LSV board meeting

Resident Engagement Committee

- Formal Board Committee as structured in the by-laws
- LSV CEO and Board Chair create agenda, invitation and structure for meeting
- Held in conjunction with March and September LSV board meetings

The benefits are not assignable and cannot be pooled or shared between spouses or other residents. The benefit is only available once.

G. Transfer and Continuance of Monthly Fee.

- 1. Temporary Transfer. - 2. Permanent Transfer. Upon permanent transfer (as determined by the Community) to Assisted Living, you will release and vacate your Residence and (i) no longer pay the Monthly Fee for your Residence, but instead, (ii) pay the then published current Assisted Living Daily Rate for the residence in Assisted Living plus any ancillary charges.

- **5. Care in Another Facility.** If the Community determines that you need care beyond that which the Community makes available (see Article II, Section I(3), *Limitations on Care*), and requires transfer to another facility, we will assist you in transferring to a hospital, health care, memory care institution or other facility (*See* Article V, Section B, *Transfer to Hospital, Health Care or Other Facility*); however, all expenses resulting from such transfer and care shall be borne entirely by you.
- **6. Illness Away from the Community.** The Community does not provide care, in any manner or degree, for you when away from the Community nor can the Community ensure your safe return to the Community.

- **B.** Policies and Procedures. All Residents shall abide by the Community's policies and procedures including such amendments, modifications, and changes to the Resident Handbook as may be adopted by the Community. General resident policies and procedures are found in the Resident Handbook.

Any approved private duty personnel shall be paid by the Resident. You may not employ current or former employees of the Community as private duty personnel without the express written consent of the Community.

Your Residence may not be used in any manner in violation of any zoning ordinances or other governmental law or regulation.
- **F. Visitors.** You are welcome to have visitors in your Residence. Overnight stays are limited to short term visits and may not exceed thirty (30) days per calendar year per guest. No person other than you may reside in your Residence without the approval of the Community.

Such supplemental insurance should cover Medicare co-insurance and deductibles. You shall furnish to us such evidence of coverage as we may from time to time request. If you are not eligible to be covered under Medicare, you must provide evidence of coverage under comparable insurance accepted by the Community. You are responsible for the payment of premiums for such coverage during your residency at the Community. You agree to authorize us to receive reimbursement under this insurance coverage and assign to the Community the right to appeal Medicare coverage determinations.
- I. Occupancy by Two Residents. In the event more than one resident executes this Agreement, you will pay an Entrance Fee and Monthly Fee based on the joint residency. Each joint resident is jointly and severally liable and responsible for the terms of this Agreement. This Agreement shall not terminate until the death of the second to die of the residents or the termination of the Agreement by both residents. If you do not wish to be a joint resident with the obligations required hereunder, you and the other resident may seek to qualify separately and sign separate agreements upon qualification. In the event that two Residents occupy the Residence under the terms of this Agreement as joint residents, upon the permanent transfer to Assisted Living or the death of one Resident, or in the event of the termination of this Agreement with respect to one of the Residents, the Agreement shall continue in effect as to the remaining or surviving Resident who shall have the option to retain the same Residence. The remaining Resident will pay the then current single person Monthly Fee while occupying the Residence. Should the remaining or surviving Resident wish to move to another Residence, the policies of the Community governing residence transfer will pertain.
- J. Marriage During Occupancy. If while occupying your Residence you marry a person who is also a resident of the Community, you and the other resident may occupy the Residence of either of you. Such married residents will pay the Monthly Fee for double occupancy associated with the residence occupied by them. In the event that you marry a person who is not a resident of the Community, your spouse may become a resident under your existing Agreement, if your spouse meets all the then current financial and medical requirements to reside in the Community and enters into a then current version of the Agreement with the Community and pays the then current second person Entrance Fee for the Residence.

You and your new spouse shall pay the first person and second person Monthly Fees associated with the Residence. If your new spouse does not meet the requirements of the Community for admission as a resident and you choose to terminate this Agreement, you may terminate this Agreement as provided in Article VI, Section B, Voluntary Termination After Occupancy.

- K. Added Resident. If a non-resident joins you in sharing your Residence for which you paid the entire Entrance Fee and in which you are living alone, such non-resident must (i) qualify by meeting all the then current financial and health requirements to reside in the Community (ii) enter into a then current version of the Agreement with the Community and (iii) pay the then current second person Entrance Fee for the appropriate accommodation. The Residents shall pay the Monthly Fee for double occupancy associated with the Residence occupied by them. If the resident joining you remains in the Residence after your death or transfer, the remaining resident will be charged the first person Monthly Fee for the Residence and will be subject to the terms and conditions of this Agreement as if such person were the original Resident. If the remaining resident subsequently permanently transfers to Assisted Living, the resident will pay the then current Daily Rate applicable to the level of service received.
- L. Residence Change Upon Request of Resident. Subject to availability, in accordance with our policies and procedures and with the approval of the Executive Director, you may request to move to another residence (the "New Residence") in the Community. You will be required to pay: (i) the cost of any work necessary to bring your Residence to market ready condition, (ii) the then current Monthly Fee for the New Residence, beginning the first of the month following the move date, (iii) a transfer fee of \$5,000, and (iv) the difference between the two Entrance Fees if the Entrance Fee for the New Residence is larger than the original Entrance Fee. No refund of the Entrance Fee will be given if a resident elect to move to a smaller residence. Physical improvements or upgrades made to the original residence will not be transferred or relocated to the New Residence. Physical improvements or upgrades to the New Residence may be negotiated and made with the approval of the Executive Director and paid for by the Resident.
- M. Rights of Resident. You have the right to occupy, use and enjoy the Residence, common areas, amenities, programs, and services of the Community during your lifetime unless this Agreement shall be terminated as provided herein. It is understood that this Agreement does not transfer or grant any interest in the real or personal property owned by the Community other than the rights and privileges as described in this Agreement.
- **N. Right of Entry.** You hereby authorize our employees or agents to enter your Residence for the purposes of housekeeping, repairs, maintenance, inspection, fire drills, and in the event of an emergency.
- **O. Residents' Council.** You are invited to participate in the Residents' Council and/or its committees which will be open to all residents and governed by the Bylaws of the Council.
- **P. Financial Requirements.** Upon entrance, you must have assets and income which will be sufficient under foreseeable circumstances to pay your financial obligation under this Agreement and to meet your ordinary living expenses. The Community, at its discretion, may require you to periodically furnish updated financial information upon request.

Q. Representations. You affirm that the representations made in each part of the Application, including but not limited to the Application for Residency, Personal Health History, and Confidential Financial Statement are true and correct and may be relied upon by the Community as a basis for entering into this Agreement.

V. TRANSFERS OR CHANGES IN LEVELS OF CARE

- Α. Transfers to Assisted Living. It is our policy to see that you reside in an area of the Community where your specific needs are best met and the appropriate level of care is available to you. To assist us in being able to care for you, you agree to cooperate with our ICP Team and to provide to us all reasonable requests for current information regarding your health. Our ICP Team, in consultation with you, your family or your representative, will make determinations regarding transfers to a higher level of care for you. In making these determinations, the ICP Team will consult with you to review potential reasonable accommodations to allow you to remain on a desired level of care as long as that level of care is appropriate for you. You agree that, after you have established Residency, we may transfer you to Assisted Living, or to another facility (see, Article V, Section B, Transfer to Hospital, Health Care or Other Facility), at such time as we, in consultation with the ICP Team, determine that such a transfer is necessary for your well-being, health or safety, as well as that of other residents in the Community. The ICP Team, in consultation with you, your family, your representative and/or your physician, will determine based on its criteria for evaluation and placement whether your transfer is temporary or permanent. At the time of temporary or permanent transfer, you will pay the Daily Rate for the new level of care where you receive services. (See, Article III, Section F, Fees/Charges for Assisted Living Services). If your Residence is occupied by two Residents at the time of permanent transfer, the remaining Resident will pay the then current single occupancy Monthly Fee. See also, Article V, Section C, Retaining Your Prior Residence/Room Reservation Rate.
- B. Transfer to Hospital, Health Care or Other Facility. If our ICP Team determines that you need care beyond that which can reasonably be provided by the Community or is necessary for your well-being, you agree that we may transfer you to a hospital, health care facility, or other institution equipped to provide such care; such outside care will be at your sole expense. A transfer to a hospital, health care facility, or other institution will be made only after consultation, to the extent possible, with you or your representative, and your attending physician. The Medical Director in consultation with your attending physician shall have the ultimate authority to authorize your transfer to a hospital, health care facility, or other institution. While away from our Community, you remain responsible for all your fees, rates and charges to us for your Residence or your Assisted Living services.
- **C. Release and Vacation of Residence.** If a determination is made by the Community that any transfer described in Article V, Section A, *Transfers to Assisted Living* or Section B, *Transfers to Hospital, Health Care or Other Facility,* is permanent in nature, you shall release and vacate your Residence. If the Community subsequently determines that you can resume occupancy in an apartment or garden home comparable to the Residence, you shall have priority access to such residence as soon as one becomes available. If a Residence is occupied by two persons, the Residence will not be surrendered due to the health of the first Resident and the second Resident may continue to reside in the Residence.

VI. TERMINATION AND REFUND PROVISIONS

- A. Trial Period. The first sixty (60) days of occupancy at the Community will be considered to be a trial period (the "Trial Period"). During such sixty (60) day Trial Period, you will have the right to terminate this Agreement by giving the Community written notice of such termination. In the event of such termination by you, or in the event of your death during such Trial Period, you (or your estate) shall receive a full refund of the Entrance Fee paid, less (i) an administrative charge equal to four percent (4%) of the total amount of the Entrance Fee as described in Article III, Section A, Entrance Fee Options, and (ii) the cost to us of restoring your Residence to market ready condition. Also, during such Trial Period, the Community shall have the right to terminate this Agreement based on the Community's determination that your emotional, physical or mental condition adjustment will not permit adaptation to the living environment at the Community, by giving you written notice of such termination. In the event of such termination by the Community, the Community will refund the full Entrance Fee paid by you (less the four percent (4%) administrative charge). Upon any termination of the Agreement pursuant to this section, the Resident's property shall be removed from the Residence in accordance with Article IX, Section G, Property Disposition Upon Transfer or Death. You are responsible for payment of your Monthly Fee (or Daily Rate) for any time you spend in your Residence. You must vacate the Community within sixty (60) days of the date you give us notice that you are terminating the Agreement. Any refund due you under this paragraph, less any upgrade charges, shall be paid within sixty (60) days after you vacate the premises.
- В. Voluntary Termination After Occupancy. At any time after occupancy, you may terminate this Agreement by giving the Community sixty (60) days' written notice of such termination. You will be responsible for your Monthly Fee or Daily Rate during the sixty (60) days' notice period. If you are entitled to a refund, your refund will be paid when your Residence is sold to a new resident and the new entrance fee for your Residence has been received by us. If you elected a Standard Entrance Fee and less than fifty (50) months has elapsed since you entered the Community, your refund, if any, will be the Entrance Fee, less (i) the initial four percent (4%) administrative charge paid to us, and (ii) less the balance amortized and accrued at two percent (2%) per month for fifty (50) months after which time the Entrance Fee is fully amortized and you are not entitled to a refund. If you elected the ninety percent (90%) Refund Entrance Fee Option, you shall receive a refund in the amount equal to the amount of the Entrance Fee paid less (i) an initial four percent (4%) administrative charge and (ii) less the balance amortized and accrued to us at the rate of one percent (1%) for each month of residency for up to ten (10) months, (but not less than ninety percent (90%) of the Entrance Fee paid after deducting the four percent (4%) administrative charge). Any refund due you under this paragraph will be made at such time as the Residence you occupied shall have reoccupied with a new resident and such new resident shall have paid to the Community such new resident's full Entrance Fee for the Residence. The processing of the refund check will be initiated the day following the occupancy of the Residence by the new resident. If a current Resident of our Community transfers to your Residence, then your refund will be paid at such time as the Residence of the transferring Resident is occupied by a new Resident and such new Resident shall have paid to us a new full Entrance Fee for the transferring Resident's Residence. For the purposes of this Section, a partial month counts as a full month. For clarity, the four percent (4%) administrative fee is deducted from your Entrance Fee and the Standard, Ninety Percent (90%) refund, if any, is a percentage of the net after such deduction.

- C. Termination Upon Death. In the event of your death at any time after the Trial Period, this Agreement shall terminate and the refund of the Entrance Fee paid by you shall be determined and paid in the same manner described in Article VI, Section B, Voluntary Termination After Occupancy. When this Agreement is between The Summit and a husband and wife, unmarried partners or two related family members who are Joint Residents, and a refund is due, the unamortized portion of the entry fee refund, if any, will be paid only when (i) the Agreement is terminated with the husband and wife simultaneously or (ii) when the Agreement is terminated with the surviving spouse, unmarried partner or family member who is a joint resident, where one has predeceased the other. Should a Residence be vacated prior to the end of a month, the Community will refund a pro-rated portion of the remaining Monthly Fee based on the day the Residence is vacated. As is provided in Article VI, Section B, Voluntary Termination After Occupancy, any refund due you under this paragraph will be made at such time as the Residence you occupied shall have been sold to a new resident and such new resident shall have paid to the Community such new resident's full Entrance Fee for the Residence or, in the case of a current Resident transferring to your Residence, when the transferring Resident's Residence is occupied and a new full Entrance Fee has been paid to us for that Residence. For the purposes of the Entrance Fee refund, if any, a partial month counts as a full month.
- D. **Termination by the Community.** The Community reserves the right to terminate the Agreement at any time beyond the Trial Period for good cause. Good cause shall be limited to: (a) proof that you are a danger to yourself or others, (b) nonpayment by you of the Monthly Fee/Daily Rate or other periodic fee, (c) repeated conduct by you that interferes with other Residents' quiet enjoyment of the Community, (d) persistent refusal to comply with reasonable written policies and procedures of the Community, (e) a material misrepresentation made intentionally or recklessly by you in application for residency, or related materials, regarding information which, if accurately provided, would have resulted in your failure to qualify for residency or a material increase in the cost of providing you the care and services provided for under this Agreement, or (f) material breach by you of the terms and conditions of this Agreement. The Community will give you written notice of the conduct and/or Agreement infraction which warrants termination of this Agreement, with a fifteen (15) day period in which to correct or cure the matter. If not corrected or cured within the fifteen (15) day period, you will have an additional fifteen (15) days in which to make other living or service arrangements after which you must vacate your Residence. This Agreement may not be terminated in less than the thirty (30) day combined period except by mutual written agreement by the Community and the Resident. Until the effective date of termination, you will continue to pay the established Monthly Fee. Any refund of the Entrance Fee paid by you shall be paid in the same manner described in Article VI, Section B, Voluntary Termination After Occupancy.
- **E.** Condition of Residence. At the effective date of termination of this Agreement, you shall vacate the Residence and shall leave it in good condition except for normal wear and tear ("Good Condition"). You shall be liable to the Community for any cost incurred in restoring the Residence to Good Condition.

VII. RIGHT TO RESCIND AGREEMENT

You have the right to rescind this Agreement without penalty or forfeiture of any portion of the Entrance Fee within seven (7) days after executing the Agreement. The Monthly Fee will be prorated for the number of days you occupied the Residence and that amount will be deducted

from the refund. You shall not be required to move into the Community before expiration of the seven (7) day period. If before moving into the Community, you die or are precluded through illness, injury or incapacity from becoming a resident under the terms of this Agreement, this Agreement is automatically rescinded and you (or your representative) shall receive a full refund, less those costs specifically incurred by us at your request and set forth in a separate addendum signed by both you and us. You are considered to have moved into the Community upon the sooner to occur of (i) your actually physically occupying your Residence (including by placing any of your furniture into the Residence) or (ii) thirty (30) days after you pay the balance of your Entrance Fee.

VIII. FINANCIAL ASSISTANCE

Residency Continuance. It is the intent of the Community to permit residents to continue A. to reside within the Community if a Resident becomes no longer capable of paying the Monthly Fee/Daily Rate and/or charges of the Community as a result of financial reversals occurring after occupancy, provided such reversals, in the Community's judgment, are not the result of willful, intentional, or unreasonable dissipation of the Resident's assets and as limited in this section. Dissipation of assets can take many forms, including but not limited to, overuse of certain discretionary services, such as home care services, when circumstances indicate more judicious use of your resources. When a Resident becomes unable to pay through no fault of his or her own, the Community will give careful consideration to subsidizing the fees and charges payable by the Resident so long as such subsidy can be made without impairing the ability of the Community to attain its objectives while operating on a sound financial basis. Any determination by the Community with regard to the granting of financial assistance shall be within the sole discretion of the Community, and the Community does not guarantee that it will subsidize the fees and charges payable by any resident. If financial assistance is awarded, some change in your accommodations at the Community may be required. Prior to the Community providing subsidy, any remaining refundable portion of the Entrance Fee due to a Resident who entered under a Ninety Percent (90%) Entrance Fee will be applied to the cost of care in the Assisted Living. In such circumstances, an Entrance Fee refund can only be paid for care received at the Community – funds will not be paid directly to any other facility or vendor besides the Community.

IX. GENERAL

- **A. Assignment.** Your rights and privileges under this Agreement to the Residence, common areas, amenities, and services, and programs of the Community are personal to you and may not be transferred or assigned.
- **B. Management of the Community.** The absolute rights of management are reserved by the Community, its Board of Trustees, Officers, and its Executive Director. Residents do not have the right to determine acceptance or terms of acceptance of any other Resident.
- **C. Entire Agreement.** This Agreement and the rules, regulations, policies and procedures adopted by the Community as amended from time to time, constitute the entire Agreement between the Community and the Resident. The Community shall not be liable or bound in any manner by any statements, representations, or promises made by any person representing or presuming to represent the Community, unless such statements, representations, or promises are set forth in this Agreement.

- **D. Successors and Assigns.** Except as set forth herein, this Agreement shall bind and inure to the benefit of the successors and assigns of the Community and the heirs, executors, administrators, personal representatives, successors, and assigns of the Resident, including but not limited to the trustee of an *inter vivos* trust of which you are a trustee.
- E. Durable General Power of Attorney and Medical Directive. You agree to execute and maintain a durable general power of attorney designating some competent person as attorney-in-fact for you. You are further encouraged to consider execution of an Advance Medical Directive and Health Care Power of Attorney. You shall provide to, and at all times maintain with, the Community current copies of the Power of Attorney or document designating a responsible party for you with the powers of such party specifically enumerated, remaining valid upon your incapacity and properly notarized, Advance Medical Directive, and Health Care Power of Attorney. A responsible party and/or agent under a power of attorney (collectively "Agent") that you have designated shall agree that when he or she comes into control of or access to your assets, the Agent agrees that your funds under his or her control shall be used for your welfare, including but not limited to making prompt payment in accordance with the terms of this Agreement. Should we incur expenses in having a conservator or guardian of the person appointed for you, you agree that we shall be reimbursed from your assets for the expenses we incur.
- **F.** Transfer of Property. You agree not to make any gift or other transfer of property for the purpose of evading your obligations under this Agreement or if such gift or transfer would render you unable to meet such obligations within your lifetime. You also agree to comply with all the Community's policies prohibiting and/or regarding the making of gifts or donations to or for the individual benefit of the Community's employees, such employees' spouses and/or relatives.

G. Property Disposition Upon Transfer or Death.

- In the event of your permanent transfer from the Residence to some other living accommodation, all of your property shall be removed from the Residence within fifteen (15) days after notice by the Community to you or your duly named representative.
- 2. In the event of your death while still residing in the Residence, your duly named representative shall have a fifteen (15) day period to remove your property from the Residence. In the event of your death after transfer from the Residence to the Assisted Living, your property must be removed from such room within seventy-two hours of death.
- 3. If such property is not removed within such periods of time by you or your duly named representative, you or your estate shall remain liable and shall pay the then current Monthly fee for your Residence until all property is removed. The Community shall have the option, but not the obligation, to remove and store such property for thirty (30) days; and thereafter, if such property is not claimed and storage fees are incurred by the Community, then title to such property shall be vested in the Community and the property shall be disposed of as the Community, in its sole discretion deems proper, without any liability of the Community to you or your estate or heirs.

- 4. Any expenses incurred by the Community in disposing of your property hereunder shall be added to the final Monthly Fee/Daily Rate charged to you. Monthly fees are due on the tenth (10th) of the month and are not refundable.
- **H. Governing Law and Venue.** This Agreement shall be governed by the laws of the Commonwealth of Virginia without regard to Virginia's conflicts of law provisions. The Parties agree, should there be any suit or action related to this Agreement, venue shall be in the Circuit Court of the County or City in Virginia where the Community is located.
- **I. Notice Provisions.** Any notices, consents, or other communications to the Community hereunder (collectively "notices") shall be in writing and addressed as follows:

Registered Agent	
With a Copy to the Execu	ıtive Director
	_ _ _

Your address for the purpose of giving notice is the address appearing after your signature below.

- J. Severability. If any provision or clause of this Agreement is determined by a judicial or administrative tribunal of proper jurisdiction to be invalid or unenforceable, such provision or clause shall be severed from the Agreement and the balance of this Agreement shall remain in full force and effect.
- **K.** Availability of Disclosure Statement. You acknowledge that at least three (3) days prior to your execution of this Agreement, you have received a copy of our annual disclosure statement which we have filed with the Virginia State Corporation Commission.
- L. Waiver of One Breach Not a Waiver of Any Other. Our failure to insist upon your strict performance and observance of compliance with any of the provisions of this Agreement in any one or more instances shall not be construed to be a waiver of relinquishment by us of our right to insist upon your future strict compliance.
- M. Modification of Agreement and Policies and Procedures. We reserve the right to modify the Agreement unilaterally in order to conform to changes in the law or applicable regulations and to modify unilaterally our rules, regulations, policies and procedures.
- **N. Assignability.** You may not assign or subcontract your rights or obligations under this Agreement. You consent to the assignment by us of our right, title and interest in this Agreement in whole or in part to any successor owner or lender, either outright or as security for any indebtedness of ours or Virginia Baptist Homes, Inc. Any assignment by us shall not be deemed a termination of this Agreement.

Narrative on Financial Condition:

LifeSpire purchased The Summit AL and IL buildings from Centra Health on October 1, 2021 and transitioned all of The Summit team members to LifeSpire employment as of that date. It is for that reason there is no prior year financial information for comparison. The increase in assets reflect the builds and land, cash of \$17M transferred to cover refundable resident entrance fees, and cash from the debt financing used to purchase The Summit. The liabilities are for the new debt used to purchase The Summit and the refund liability which a portion will amortize over time. Both revenue and expenses for the three months ending December 31, 2021, were very close to prepurchase projections and we expect higher revenue returns in 2022 with positive operating income.

INDEPENDENT AUDITORS' REPORT

Board of Trustees Virginia Baptist Homes, Incorporated dba: LifeSpire of Virginia and Subsidiaries Richmond, Virginia

Report on the Audit of the Financial Statements Opinion

We have audited the accompanying consolidated financial statements of Virginia Baptist Homes, Incorporated dba: LifeSpire of Virginia and Subsidiaries (LifeSpire) which comprise the consolidated balance sheets as of December 31, 2021 and 2020, and the related consolidated statements of operations and changes in net assets (deficit) and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of LifeSpire as of December 31, 2021 and 2020, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and with the standards applicable to financial audits contained in *Governmental Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of LifeSpire and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about LifeSpire's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and Governmental Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Governmental Auding Standards, we:

- · Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due
 to fraud or error, and design and perform audit procedures responsive to those risks. Such
 procedures include examining, on a test basis, evidence regarding the amounts and disclosures
 in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of LifeSpire's internal control. Accordingly, no such opinion is
 expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about LifeSpire's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Board of Trustees Virginia Baptist Homes, Incorporated dba: LifeSpire of Virginia and Subsidiaries

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated April 25, 2022, on our consideration of Virginia Baptist Homes, Incorporated dba: LifeSpire of Virginia's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Virginia Baptist Homes, Incorporated dba: LifeSpire of Virginia's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Virginia Baptist Homes, Incorporated dba: LifeSpire of Virginia's internal control over financial reporting and compliance.

NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Virginia Baptist Homes, Incorporated dba: LifeSpire of Virginia (LifeSpire) is a nonprofit corporation founded in 1946 as an agency of the Baptist General Association of Virginia (BGAV). LifeSpire operates retirement communities in Culpeper, Richmond, Newport News, Lynchburg, and Roanoke, Virginia which provide diversified residential and health care services to retirement community residents. In February 2016, LifeSpire began doing business as LifeSpire of Virginia; this change did not affect LifeSpire's underlying corporate identity or the identities or business names of its affiliates.

LifeSpire operates its retirement communities under arrangements whereby residents enter into agreements which require payment of a one-time advance fee and a monthly maintenance fee. Generally, these payments entitle residents to the use and privileges of LifeSpire for life, including certain nursing services provided in LifeSpire's nursing facilities. The occupancy agreement does not entitle the residents to an interest in the real estate or other property owned by LifeSpire.

Culpeper Baptist Retirement Community, Inc. (doing business as The Culpeper), Newport News Baptist Retirement Community, Inc. (doing business as The Chesapeake), Lakewood Manor Baptist Retirement Community, Inc. (doing business as Lakewood), The Glebe, Inc. (The Glebe), Lynchburg Baptist Retirement Community, LLC (doing business as The Summit) and Virginia Baptist Homes Foundation, Inc. (Foundation) are wholly owned, nonprofit subsidiaries of LifeSpire.

In 2019, Lakewood began operations of a new program known as Lakewood at Home. This program allows for members to remain in their private residences while enjoying many of the benefits and services offered at a retirement community. The activity of Lakewood at Home is combined with Lakewood Manor Baptist Retirement Community, Inc. in the consolidating and combining financial statements included in the Accompanying Information. Combining schedules have been included for Lakewood to present the activity of the two programs.

In 2020, LifeSpire entered into a joint venture with an unrelated third party to form Senior Living Partners of Virginia, LLC (SLPV). SLPV was created to provide home health services and to promote the health and care of seniors from a broad cross-section of the communities served by the organizations. LifeSpire has a 50% interest in SLPV. No consideration was paid in 2020 related to this joint venture. In 2021, \$633,500 was transferred to SLPV as LifeSpire's opening capital contribution. This investment is included in Other Assets in the accompanying consolidated balance sheet as of December 31, 2021 and is recorded under the equity method. LifeSpire recorded a loss on this investment of \$357,635 which represents its share of SLPV's results and is included in nonoperating income (loss) in the statements of operations and change in net assets (deficit).

NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Organization (Continued)

In 2021, LifeSpire purchased the assets associated with the independent living and assisted living facilities of The Summit and undeveloped land on the property of The Summit for \$30,250,000. LifeSpire assumed these assets of The Summit as well as certain liabilities related to deferred entrance fee contracts, priority deposits and leases payable. A summary of assets received and liabilities assumed is as follows:

Assets:

Notes Receivable	\$ 289,806
Property, Plant and Equipment	35,178,025
Liabilities:	
Priority Deposits	(79,000)
Deferred Revenue from Advance Fees	(17,170,639)
Net Assets:	
Net Assets with Donor Restrictions	(507,855)

Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Basis for Consolidation

The consolidated financial statements include the accounts of LifeSpire and its wholly owned subsidiaries. Significant intercompany accounts and transactions have been eliminated in consolidation.

Basis of Presentation

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Include net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. At times, the governing board can designate, from net assets without donor restrictions, net assets for a board-designated endowment or other purposes.

NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Basis of Presentation (Continued)

Net Assets With Donor Restrictions – Include net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource has been fulfilled, or both.

Unconditional promises to give cash and other assets are accrued at estimated fair market value at the date each promise is received. Management reports contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported as an increase in net assets without donor restrictions. Income earned on net assets with donor restrictions, including capital appreciation, is recognized in the period earned.

Cash and Cash Equivalents

LifeSpire considers cash and cash equivalents to include cash on hand and all highly liquid investments with a maturity of three months or less when purchased.

LifeSpire maintains cash balances at several financial institutions located within its market area. Accounts at each institution are insured by the Federal Deposit Insurance Corporation (FDIC). At times, deposits may exceed FDIC amounts.

Notes Receivable

Notes receivable is comprised of amounts due to LifeSpire for advance fees due from residents who have moved into the facility but have not yet paid the full amount of the contractually agreed upon advance fee. The notes vary in length from 4 to 12 months, bear interest at varying rates, up to 4%, and are collateralized by the resident's personal investments.

Allowance for Doubtful Accounts

LifeSpire provides an allowance for doubtful accounts using management's judgment. Residents are not required to provide collateral for services rendered. Payment for services is required upon receipt of invoice or claim submitted. Accounts past due are individually analyzed for collectability. In addition, an allowance is estimated for other accounts based on the historical experience of LifeSpire. The allowance for doubtful accounts was approximately \$1,025,000 and \$545,000 at December 31, 2021 and 2020, respectively.

NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Beneficial Interest in Perpetual Trusts

LifeSpire holds a beneficial interest in several Perpetual Trusts. These trusts are administered by independent trustees and generally consist of cash and cash equivalents, mutual funds, and debt and equity securities, which are carried at fair value. Under the terms of the trusts, the donors have established and funded the trusts with specified distributions to be made to LifeSpire. Under the terms of several of the trusts, distributions of income are to be made in perpetuity. Because the trusts are perpetual, these funds are reported as perpetually restricted net assets with donor restrictions.

Income distributions from these trusts are recorded as investment income in the consolidated statements of operations and changes in net assets (deficit) without donor restrictions, while any appreciation (depreciation) in the trust value is recorded as a change in perpetually restricted net assets with donor restrictions, in accordance with donor restrictions. Under the terms of some of the trusts, distributions of income and/or principal are made at the discretion of the trustee. Due to this restriction, these funds are reported as purpose restricted net assets with donor restrictions. Distributions from these trusts are recorded as other revenue, while any appreciation (depreciation) in the trust value is recorded as a change in purpose restricted net assets with donor restrictions, in accordance with donor restrictions.

Investments

Investments with readily determinable market values are carried at fair value, with the exception of certain investments in absolute return strategy investments or hedge funds whose fair value is not readily determinable and whose investment is less than 3%. Such investments are accounted for using the lower of cost or market method. Other hedge fund investments whose investment is greater than 3% are accounted for under the equity method. Investments are comprised of stocks, mutual funds and hedge funds. The fair values of marketable equity securities, bonds and mutual funds are based on quoted market prices, if available, or estimated using quoted market prices for similar securities.

Five of the hedge funds are not considered liquid; however, they intend to have distributions made within three years and extend no longer than 10 years. Realized gains and losses are reported as activity without restriction.

Unrealized gains (losses) are included in excess of revenues, gains and other support over expenses and are reported as nonoperating income (loss). The cost of securities sold is based on the specific identification method, adjusted for impairment in the value of investments.

NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Assets Whose Use is Limited

Assets whose use is limited include assets held by a trustee under bond indenture agreements. Amounts required to meet current liabilities have been reclassified as current assets. Assets whose use is limited are carried at fair value.

Property, Plant and Equipment

Property, plant and equipment are reported on the basis of cost. Donated items are recorded at fair market value at the date of contribution. LifeSpire capitalizes all assets over \$1,000 with a useful life greater than three years.

Depreciation is computed using the straight-line method at rates calculated to amortize the cost of the assets over their estimated useful lives. The general range of estimated useful lives for buildings and land improvements is 20 to 40 years and the general range for equipment is 4 to 20 years. LifeSpire performs a review of its long-lived assets (including property and equipment) for impairment when events or changes in circumstances indicate the carrying value of such assets may not be recoverable.

If an indication of impairment is present, LifeSpire determines recoverability of its long-lived assets by evaluating the probability that undiscounted future cash flows will be less than the carrying amount of the assets. If future estimated undiscounted cash flows are less than the carrying amount of the long-lived assets, then such assets are written down to their estimated fair value. The fair value is determined based on valuation techniques such as comparison to fair values of similar assets or using a discounted cash flow analysis. Management believes that there are no impairments to long-lived assets in 2021 and 2020.

Deferred Financing Costs

Financing costs incurred in connection with the issuance of long-term debt are deferred and amortized over the term of the related indebtedness which approximates the effective interest method.

NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Leases

LifeSpire determines if an arrangement is a lease at inception. Operating leases are included in property, plant, and equipment as right-of-use (ROU) assets and lease payable in the consolidated balance sheets. ROU assets present LifeSpire's right to use an underlying asset for the lease term and lease payables represent LifeSpire's obligation to make lease payments arising from the lease. ROU assets and payables are recognized at the commencement date of the lease based on present value of lease payments over the lease term. Lease terms may include options to extend or terminate the lease when it is reasonably certain that LifeSpire will exercise the option. Lease expense for operating lease payments is recognized on a straight-line basis over the lease term. LifeSpire has elected to recognize payments for short-term leases with a lease term of 12 months or less as expense as incurred and these leases are not included as lease payables or ROU assets on the consolidated balance sheets.

Advance Fees

Advance fees represent the payments received at the time a resident is admitted to one of the communities. The nonrefundable portion of advance fees is recorded as deferred revenue from advance fees and is amortized into income over the estimated life expectancy of the residents, or couples, adjusted annually. The refundable portion of advance fees received is presented on the consolidated balance sheets as a refundable advance fee liability. The refundable portion of advance fees is not amortized to income. Upon the death of a sole surviving resident, any remaining unamortized portion of the nonrefundable advance fee is recognized as operating revenue.

The residency agreements at certain of LifeSpire's communities provide for a declining refund upon termination by the residents during the first 50 months of occupancy. Refunds are generally payable the sooner of, one year or upon resale of the unit; however, beginning in 2016, residency agreements do not include the one-year requirement. These amounts are included as an advance fee refund liability. LifeSpire has estimated the current portion of this liability based on actual refunds paid over a ten-year period.

Obligation to Provide Future Services

LifeSpire annually calculates the present value of the net cost of future services and use of facilities to be provided to current residents and compares that amount with the balance of deferred revenue from advance fees. If the present value of the net cost of future services and use of facilities exceeds the deferred revenue from advance fees, a liability is recorded (obligation to provide future services). The obligation is discounted at 5.5% in both 2021 and 2020, based on the expected long-term rate of return on investments. Increases or decreases in the obligation are charged or credited to operations, respectively. As of December 31, 2021 and 2020, LifeSpire had no future service obligation.

NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Refundable Advance - CARES ACT

Paycheck Protection Program

In April 2020, LifeSpire received loan proceeds in the amount of \$7,304,656 to fund payroll, rent, utilities, and interest on mortgages and existing debt through the Paycheck Protection Program (the PPP Loan). The PPP loan may be forgiven by the U.S. Small Business Administration (SBA) subject to certain performance barriers, as outlined in the loan agreement and the Coronavirus Aid, Relief, and Economic Security (CARES) Act. Therefore, LifeSpire has classified this loan as a conditional contribution for accounting purposes as of December 31, 2020. In 2021, the SBA granted forgiveness on the entire PPP Loan. This forgiveness of the PPP Loan is shown as Contribution Revenue – Paycheck Protection Program Loan Forgiveness in the accompanying consolidated statements of operations and changes in net assets (deficit). Forgiveness is subject to review by the SBA for 6 years.

Provider Relief Funding

In response to the Coronavirus pandemic, the U.S. Department of Health and Human Services (HHS) made available emergency relief grant funds to health care providers through the CARES Act Provider Relief Fund (PRF). Total grant funds approved and received by LifeSpire as of December 31, 2021 was \$3,156,053. The PRF's are subject to certain restrictions on eligible expenses or uses and reporting requirements. At December 31, 2021 and 2020, LifeSpire recognized \$704,503 and \$1,991,743, respectively, as gifts and donation revenue in the consolidated statement of operations and \$459,807 and \$704,594, respectively, as a Refundable Advance in the consolidated balance sheets. Management believes the amounts have been recognized appropriately as of December 31, 2021 and 2020.

Charity Care and Community Benefit

The mission of LifeSpire is to empower its residents with choices in purposeful living. LifeSpire employs a uniform financial qualification process for all prospective residents and will, under certain circumstances, provide housing and care to residents regardless of their ability to pay for those services.

LifeSpire defines and measures its community benefit primarily through the benevolence it provides to residents who cannot cover the full cost of their care. All residents are financially qualified at admission using actuarial life expectancies and the projected ability of the residents' income and assets to cover the estimated cost of future health care. LifeSpire provides care to residents who meet certain criteria under its financial assistance policy at a reduced rate. Key elements used to determine eligibility include a resident's demonstrated inability to pay due to increasing acuity of care, increasing costs of care and/or increasing longevity.

NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Charity Care and Community Benefit (Continued)

LifeSpire has estimated its direct and indirect costs of providing charity care under its financial assistance policy. In order to estimate the cost of providing such care, management calculated a cost-to-charge ratio by comparing the direct and allocated expenses by level of care to the corresponding revenues charged on an annual basis. The cost-to-charge ratio is applied to the charity care charges foregone to calculate the estimated cost of providing charity care. Using this methodology, LifeSpire has estimated the costs for services and supplies furnished under LifeSpire's financial assistance policy to be approximately \$1,217,000 and \$1,184,000 for the years ended December 31, 2021 and 2020, respectively.

Primarily through the support of the Virginia Baptist Homes Foundation, LifeSpire received approximately \$1,110,000 and \$1,150,000 to subsidize the costs of providing charity care under its financial assistance policy for the years ended December 31, 2021 and 2020, respectively.

In 2019, LifeSpire created the "Fresh Start" program at The Chesapeake to provide ongoing support to team members in need. Included under this program, a house purchased by LifeSpire is being used to provide ongoing support to team members in need with up to three months of housing while they work on a plan to become financially independent.

Operating Indicator

LifeSpire's operations include all revenue without restriction, gains, expenses and losses for the reporting period except for contributions of long-term assets and net assets released from restrictions for acquisition of property, plant, and equipment.

The board of trustees designates LifeSpire's investment income for support of current operations, consisting primarily of interest, dividend and realized gains and losses on investments related to funded depreciation and escrowed advance fees from residents. In addition, other activities not related to LifeSpire's mission are considered to be nonoperating.

Nonoperating gains and losses also include the change in unrealized gains (losses) on investments, loss on extinguishment of debt, loss on investment in joint venture, loss on disposal of property, plant and equipment, changes in obligation to provide future services and use of facilities to current residents and change in value of interest rate swap agreements.

NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

LifeSpire and each of its subsidiaries are nonprofit organizations exempt from federal and state income taxes under Internal Revenue Code Section 501(c)(3).

LifeSpire and each of its subsidiaries file as tax-exempt organizations. Management is not aware of any activities that would jeopardize the tax-exempt status of any of the entities. Management is not aware of any significant activities that are subject to tax on unrelated business income or excise or other taxes for LifeSpire or its subsidiaries.

LifeSpire and each of its subsidiaries follow guidance in the income tax standard regarding the recognition and measurement of uncertain tax positions. The guidance has had no impact on LifeSpire's consolidated financial statements.

Professional Liability Insurance

LifeSpire has obtained general and professional liability insurance issued by Virginia Senior Care RRG, a Washington, DC risk retention group. LifeSpire's professional liability is on the claims-made basis. Under a claims-made policy, determination of coverage is triggered by the date the insured first becomes aware and notifies the insurer of a claim or potential claim.

Fair Value Measurements

LifeSpire categorizes its assets and liabilities measured at fair value into a three-level hierarchy based on the priority of the inputs to the valuation technique used to determine fair value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used in the determination of the fair value measurement fall within different levels of the hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement.

Assets and liabilities valued at fair value are categorized based on the inputs to the valuation techniques as follows:

Level 1 – Inputs that utilize quoted prices (unadjusted) in active markets for identical assets or liabilities that LifeSpire has the ability to access.

Level 2 – Inputs that include quoted prices for similar assets and liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument. Fair values for these instruments are estimated using pricing models, quoted prices of securities with similar characteristics, or discounted cash flows.

Level 3 – Inputs that are unobservable inputs for the asset or liability, which are typically based on LifeSpire's own assumptions, as there is little, if any, related market activity.

NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements (Continued)

Subsequent to initial recognition, LifeSpire may re-measure the carrying value of assets and liabilities measured on a nonrecurring basis to fair value. Adjustments to fair value usually result when certain assets are impaired. Such assets are written down from their carrying amounts to their fair value.

Fair value measurement is based upon quoted prices, if available. If quoted prices are not available, fair values are measured using independent pricing models or other model-based valuation techniques such as the present value of future cash flows, adjusted for the security's credit rating, prepayment assumptions, and other factors such as credit loss assumptions. Securities valued using Level 1 inputs include those traded on an active exchange, such as the New York Stock Exchange, as well as U.S. treasury and other U.S. government bonds. Level 2 inputs include deferred annuity obligations due from LifeSpire and liabilities under Interest Rate Swap agreements. Assets valued using Level 3 inputs include beneficial interests in perpetual trusts. Unobservable inputs for the Level 3 assets include amount and timing of distributions from the trusts.

Professional standards allow entities the irrevocable option to elect to measure certain financial instruments and other items at fair value for the initial and subsequent measurement on an instrument-by-instrument basis. LifeSpire follows the policy to value certain financial instruments at fair value; however, LifeSpire has not elected to measure any existing financial instruments at fair value. LifeSpire may elect to measure newly acquired financial instruments at fair value in the future.

Reclassifications

Certain amounts in the 2020 consolidated financial statements have been reclassified to conform to the 2021 presentation. These reclassifications had no effect on previously reported net assets or change in net assets.

Subsequent Events

In preparing these consolidated financial statements, LifeSpire has evaluated events and transactions for potential recognition or disclosure through April 25, 2022, the date the consolidated financial statements were issued.

NOTE 2 RESIDENTIAL, HEALTH CARE, AND CONTINUING CARE AT HOME SERVICES REVENUE

Residential, health care, and continuing care at home services revenue is reported at the amount that reflects the consideration to which LifeSpire expects to be entitled in exchange for providing resident care. These amounts are due from residents, third-party payors (including health insurers and government programs), and others and includes variable consideration for retroactive revenue adjustments due to settlement of audits, reviews, and investigations. Generally, LifeSpire bills the residents and third-party payors several days after the services are performed. Service fees paid by residents for maintenance, meals, and other services are assessed monthly and are recognized as revenue in the period services are rendered. Revenue is recognized as performance obligations are satisfied.

NOTE 2 RESIDENTIAL, HEALTH CARE, AND CONTINUING CARE AT HOME SERVICES REVENUE (CONTINUED)

Performance obligations are determined based on the nature of the services provided by LifeSpire. Revenue for performance obligations satisfied over time is recognized based on actual charges incurred in relation to total expected (or actual) charges. LifeSpire believes that this method provides a faithful depiction of the transfer of services over the term of the performance obligation based on the inputs needed to satisfy the obligation. Generally, performance obligations satisfied over time relate to residents in the facilities receiving skilled nursing services, housing residents receiving services in the facilities, or participants in their continuing care at home program. LifeSpire considers daily services provided to residents of the skilled nursing facilities, monthly rental for housing services, and monthly fees for continuing care at home services as a separate performance obligation and measures this on a monthly basis, or upon move-out within the month, whichever is shorter.

Nonrefundable entrance fees are considered to contain a material right associated with access to future services, which is the related performance obligation. Revenue from nonrefundable entrance fees is recognized ratably in future periods covering a resident's life expectancy using a time-based measurement similar to the output method. Revenue for performance obligations satisfied at a point in time is generally recognized when goods are provided to our residents and customers in a retail setting (for example, gift shop and cafeteria meals) and LifeSpire does not believe it is required to provide additional goods or services related to that sale.

Because all of its performance obligations relate to contracts with a duration of less than one year, LifeSpire has elected to apply the optional exemption provided in FASB ASC 606-10-50-14(a) and, therefore, is not required to disclose the aggregate amount of the transaction price allocated to performance obligations that are unsatisfied or partially unsatisfied at the end of the reporting period.

LifeSpire determines the transaction price based on standard charges for goods and services provided, reduced by contractual adjustments provided to third-party payors, discounts provided to uninsured patients in accordance with LifeSpire's policy, and/or implicit price concessions provided to residents. LifeSpire determines its estimates of contractual adjustments based on contractual agreements, its policy, and historical experience. LifeSpire determines its estimate of implicit price concessions based on its historical collection experience.

NOTE 2 RESIDENTIAL, HEALTH CARE, AND CONTINUING CARE AT HOME SERVICES REVENUE (CONTINUED)

Agreements with third-party payors typically provide for payments at amounts less than established charges. A summary of the payment arrangements with major third-party payors follows:

Medicare and Medicaid

LifeSpire's licensed nursing facilities participate in the Medicare program. This federal program is administered by the Centers for Medicare and Medicaid Services (CMS). CMS finalized the Patient Driven Payment Model (PDPM) to replace the existing Medicare reimbursement system effective October 1, 2019. Under PDPM, therapy minutes are removed as the primary basis for payment and instead the underlying complexity and clinical needs of a patient is used as a basis for reimbursement. In addition, PDPM introduces variable adjustment factors that change reimbursement rates during the resident's length of stay. Annual cost reports are required to be submitted to the designated Medicare Administrative Contractor; however, they do not contain a cost settlement.

Nursing facilities licensed for participation in the Medicare and Medical Assistance programs are subject to annual licensure renewal. If it is determined that a nursing facility is not in substantial compliance with the requirements of participation, CMS may impose sanctions and penalties during the period of noncompliance. Such a payment ban would have a negative impact on the revenues of the licensed nursing facility.

Some of LifeSpire's licensed nursing facilities participate in the Medicaid program which is administered by Virginia's Department of Medical Assistance Services (DMAS). DMAS uses a price-based payment system to reimburse providers, which was weighted for each claim based on the Resource Utilization Group (RUG) score listed on each claim. Each year DMAS publishes a priced-based total case mix rate and a total indirect rate, both of which make up the bulk of the base payment rate for each provider. The total case mix rate and the total indirect rate are determined by a preassigned peer group of geographically similar regions within Virginia. The price-based rate was weighted for the severity of care of the documented RUG listed for each claim. Effective October 1, 2019, new PDPM HIPPS codes replaced RUG scores listed on each claim for determining reimbursement amounts. Annual Medicaid cost reports are required by the state of Virginia, however, they are not used to settle the costs of claims. Instead, the cost reports are used in the development of price-based rates and to monitor the adequacy of the reimbursement methodology.

Other

Payment agreements with certain commercial insurance carriers provide for payment using prospectively determined daily rates.

NOTE 2 RESIDENTIAL, HEALTH CARE, AND CONTINUING CARE AT HOME SERVICES REVENUE (CONTINUED)

Settlements with third-party payors for retroactive adjustments due to audits, reviews or investigations are considered variable consideration and are included in the determination of the estimated transaction price for providing patient care. These settlements are estimated based on the terms of the payment agreement with the payor, correspondence from the payor and LifeSpire's historical settlement activity, including an assessment to ensure that it is probable that a significant reversal in the amount of cumulative revenue recognized will not occur when the uncertainty associated with the retroactive adjustment is subsequently resolved. Estimated settlements are adjusted in future periods as adjustments become known (that is, new information becomes available), or as years are settled or are no longer subject to such audits, reviews, and investigations. Adjustments arising from a change in an implicit price concession impacting transaction price, were not significant in 2021 or 2020.

Generally, residents or at home participants who are covered by third-party payors are responsible for related deductibles and coinsurance, which vary in amount. LifeSpire estimates the transaction price for residents with deductibles and coinsurance based on historical experience and current market conditions. The initial estimate of the transaction price is determined by reducing the standard charge by any contractual adjustments, discounts, and implicit price concessions.

Subsequent charges to the estimate of the transaction price are generally recorded as adjustments to revenue in the period of the change.

Additional revenue recognized due to changes in its estimates of implicit price concessions, discounts, and contractual adjustments were not considered material for the years ended December 31, 2021 and 2020. Subsequent changes that are determined to be the result of an adverse change in the resident's ability to pay are recorded as bad debt expense.

LifeSpire has determined that the nature, amount, timing and uncertainty of revenue and cash flows are affected by the following factors: payors, service line, method of reimbursement, and timing of when revenue is recognized.

The composition of residential, health care, and continuing care at home services revenue by primary payor for the years ended December 31, 2021 and 2020 is as follows:

	 2021	2020
Medicare	\$ 9,946,383	\$ 9,664,356
Medicaid	594,233	542,102
Private	79,164,093	74,833,529
Commercial Insurers	 2,499,490	 2,372,358
	\$ 92,204,199	\$ 87,412,345

Revenue from resident's deductibles and coinsurance are included in the categories presented above based on the primary payor.

Financing Component

LifeSpire has elected the practical expedient allowed under FASB ASC 606-10-32-18 and does not adjust the promised amount of consideration from residents and third-party payors for the effects of a significant financing component due to its expectation that the period between the time the service is provided to a resident and the time that the resident or a third-party payor pays for that service will be one year or less. However, LifeSpire does, in certain instances, enter into payment agreements with residents that allow payments in excess of one year. For those cases, the financing component is not deemed to be significant to the contract.

Contract Costs

LifeSpire has applied the practical expedient provided by FASB ASC 340-40-25-4 and all incremental customer contract acquisition costs are expensed as they are incurred as the amortization period of the asset that LifeSpire otherwise would have recognized is one year or less in duration.

The opening and closing contract balances were as follows:

Capitalized interest totaled approximately \$1,123,000 for the year ended December 31, 2020. No interest was capitalized in 2021.

Construction in progress at December 31, 2021 and 2020 was related to expansion projects at LifeSpire's facilities, as well as apartment renovations and improvements to common areas. As of December 31, 2021 LifeSpire has remaining construction commitments amounting to approximately \$11,512,000 related to these projects.

NOTE 5 LEASES

LifeSpire leases equipment as well as certain office facilities for various terms under long-term, noncancelable lease agreements. The leases expire at various dates through 2027 and many cases provide for rent escalations and renewal options. Renewal options are at the sole discretion of LifeSpire. Escalation terms include fixed-rent escalations annually. Total rent expense on these leases was approximately \$190,000 and \$135,000 for 2021 and 2020, respectively.

A maturity analysis of annual undiscounted cash flows for lease liabilities as of December 31, 2021, is as follows:

Year Ending December 31,		Amount
2022	\$	347,084
2023		334,299
2024		291,570
2025		276,575

Less: Current Portion		(295,679)
Less: Imputed Interest		(137,886)
Present Value of Lease Payable, Net of Current Portion	\$	1,097,124

The lease payable will continue to be impacted by new leases, lease modifications, lease terminations, and reevaluation of any new facts and circumstances. As of December 31, 2021, the weighted average lease term remaining that is included in the maturities of the lease payables is 4.7 years.

As the rate implicit in each lease is not readily determinable, LifeSpire uses an incremental borrowing rate to calculate the lease liability that represents an estimate of the interest rate LifeSpire would have to borrow on a collateralized basis over the term of a lease. The weighted average discount rate used for operating leases was 4.0% at December 31, 2021 and 2020.

NOTE 6 LONG-TERM DEBT AND NOTES PAYABLE (CONTINUED)

In August 2021, LifeSpire issued a note totaling \$77,875,000 to fund the purchase of The Summit, refund the existing Series 2017A and Series 2017B Bonds, terminate the interest rate swap agreements associated with the Series 2017A and Series 2017B bonds, pay for certain costs of issuance and fund project costs at Lakewood and Culpeper in relation to the Virginia Small Business Financing Authority Residential Care Facilities Revenue and Refunding Bonds Series 2021 (Series 2021 Bonds). The 2021 Bonds are comprised of serial bonds due in annual installments through 2026 and term bonds due in 2031, 2036, 2041 and 2051. In addition to the Series 2021 Bonds, a taxable loan not to exceed \$15,600,000 (the 2021 Taxable Loan) was issued to fund the purchase of The Summit, pay for certain costs of issuance, and provide working capital for renovations to The Summit. The 2021 Taxable Loan is comprised of \$6,240,000 due within 3 years of closing with the remainder due 5 years after closing.

The Series 2016, 2017 and 2021 Bonds are collateralized by a deed of trust of certain facilities of the LifeSpire Obligated Group as well as a security interest in inventory, accounts, documents, instruments, other monies, chattel paper and general intangibles. The related agreements also contain certain covenants, including a requirement that days cash on hand (as defined) be in excess of 120 days and that the long-term debt service coverage ratio be in excess of 1.20. Management believes LifeSpire is in compliance with these covenants as of December 31, 2021.

Each member of the LifeSpire Obligated Group under the Master Trust Indenture dated January 1, 2003 and the Amended and Restated Master Trust Indenture dated October 1, 2016 is jointly and severally liable for the payment of all LifeSpire Obligated Group Long-Term Debt; however, the individual LifeSpire Obligated Group members are not liable for any other claims against the other LifeSpire Obligated Group members. As part of the Series 2017C Bond issuance described above, a supplemental indenture was entered into related to the Amended and Restated Master Trust Indenture dated October 1, 2016. As part of this supplemental indenture, The Glebe was brought into the Obligated Group and is now subject to the provisions of each Master Trust Indenture noted above. As part of the Series 2021 Bond issuance described above, a supplemental indenture was entered into related to the Amended and Restated Master Trust Indenture dated October 1, 2016. As part of this supplemental indenture, The Summit was brought into the Obligated Group and is now subject to the provisions of each Master Trust Indenture noted above. These changes were adopted retrospectively.

Accordingly, no LifeSpire entity is liable for any indebtedness of any other LifeSpire entity other than the limited cross liability of the LifeSpire Obligated Group for the LifeSpire Long-Term Debt as discussed above. The Foundation is not a member of the LifeSpire Obligated Group.

NOTE 6 LONG-TERM DEBT AND NOTES PAYABLE (CONTINUED)

In July 2017 LifeSpire entered into two forward dated interest rate swap agreements related to the Series 2017A and Series 2017B Bonds. The swap agreements were with financial institutions and had a notional principal balance of \$29,718,000 and \$18,112,000, respectively, with an effective date of July 1, 2019 and a termination date of August 1, 2027. Under the swap agreements, the interest rates on LifeSpire's Series 2017A and Series 2017B Bonds variable rate borrowings were effectively converted to 1.856% and 1.858%, respectively. LifeSpire recognized the fair value of its interest rate swaps on the consolidated balance sheet, representing a liability of approximately \$4,759,000 at December 31, 2020. An analysis on the effectiveness of the swaps was not performed, causing the change in fair value of the swaps to be included in excess of revenues, gains, and other support over expenses. These swaps were terminated in 2021 as part of the Series 2021 bond issuance.

Scheduled sinking fund and principal repayments of long-term debt are as follows:

Year Ending December 31,	Amount

During 2021 and 2020, LifeSpire paid approximately \$9,779,000 and \$9,046,000, respectively, for interest, net of amounts capitalized.

NOTE 7 ADVANCE FEES AND DEPOSITS

A refundable deposit of \$1,000 of the advance fee is made at the time a priority list agreement for The Culpeper, The Chesapeake, Lakewood, The Summit or The Glebe is executed. Advance fees received from residents are subject to the refund provisions of Residents' Agreements. Refunds expire ratably over a 10 to 50-month period starting from the resident's date of entrance. At December 31, 2021 and 2020, the portion of advance fees subject to refund provisions amounted to approximately \$96,057,000 and \$83,298,000, respectively. Amounts expected to be refunded to current residents, based on LifeSpire's experience, are approximately \$5,451,000 and \$4,113,000 at December 31, 2021 and 2020, respectively.

NOTE 8 NET ASSETS WITH DONOR RESTRICTIONS

Net Assets with donor restrictions are restricted for the following purposes or periods as of December 31, 2021 and 2020:

2021	2020

During the years ended December 31, 2021 and 2020, net assets were released from donor restrictions by incurring expenses satisfying the restricted purposes as follows:

	 2021	 2020
Purchase of Equipment	\$ -	\$ 20,850

Other	 11,054	 40,384
Total Releases	\$ 456,640	\$ 666,308

LifeSpire's net assets with donor restrictions include individual endowments established for a variety of purposes. Net assets associated with endowment funds are classified and reported based on the existence of donor-imposed restrictions.

Interpretation of Relevant Law

The state of Virginia adopted the Virginia Prudent Management of Institutional Funds Act (the Act). The Board of Trustees of LifeSpire has interpreted the Act as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, LifeSpire classifies as perpetually restricted net assets (1) the original value of gifts donated to the permanent endowment and (2) the original value of subsequent gifts to the permanent endowment.

NOTE 8 NET ASSETS WITH DONOR RESTRICTIONS (CONTINUED)

Interpretation of Relevant Law (Continued)

The remaining portion of the donor-restricted Endowment Fund that is not classified in perpetually restricted net assets with donor restrictions is classified as purpose restricted net assets with donor restrictions until those amounts are appropriated for expenditure by LifeSpire in a manner consistent with the standard of prudence prescribed in the Act.

In accordance with the Act, LifeSpire considers the following factors in making a determination to appropriate or accumulate donor restricted endowment funds:

- The duration and preservation of the fund
- The purposes of LifeSpire and the Donor-Restricted Endowment Fund
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of LifeSpire
- The investment policy of LifeSpire

Funds with Deficiencies

It is LifeSpire's policy to maintain the corpus amounts of each individual Donor-Restricted Endowment Fund received. If the fair value of assets associated with Individual Donor-Restricted Endowment Funds were to fall below the level that the donor or the Act requires LifeSpire to retain as a fund of perpetual duration, in accordance with GAAP, deficiencies of this nature are reported in net assets without donor restrictions.

Return Objectives and Risk Parameters

LifeSpire has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment. Endowment assets include those assets of donor-restricted funds that LifeSpire must hold in perpetuity or for a donor-specified period. Under this policy, as approved by the board of trustees, the endowment assets are invested in a manner that is intended to preserve and grow capital, strive for consistent absolute returns, preserve purchasing power by striving for long-term returns which either match or exceed the set payout, fees and inflation without putting the principal value at imprudent risk, and diversify investments consistent with commonly accepted industry standard to minimize the risk of large losses.

NOTE 8 NET ASSETS WITH DONOR RESTRICTIONS (CONTINUED)

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, LifeSpire relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). Management targets a diversified asset allocation that meets LifeSpire's long-term rate of return objectives while avoiding undue risk from imprudent concentration in any single asset class or investment vehicle.

Spending Policy and How the Investment Objectives Relate to Spending Policy

LifeSpire's spending policy is consistent with its objective of preservation of the fair value of the original gift of the endowment assets held in perpetuity as well as to provide additional real growth through new gifts and investment return.

Perpetually restricted net assets of approximately \$16,056,000 and \$14,306,000 at December 31, 2021 and 2020, respectively, are restricted to investment in perpetuity, the income some of which is not donor restricted and is expendable primarily to support residential services. Of these totals, approximately \$11,591,000 and \$10,065,000 relates to split interest agreements that are administered and managed by third parties as trustees at December 31, 2021 and 2020, respectively. LifeSpire does not have the ability to make any investing decisions related to these funds. The remaining \$4,465,000 and \$4,241,000 of perpetually restricted net assets with donor restrictions are managed by LifeSpire at December 31, 2021 and 2020, respectively. LifeSpire had no board designated endowment funds for the years ended December 31, 2021 and 2020.

The perpetually restricted assets include beneficial interest in charitable remainder trusts, as well as other investments which are pooled with LifeSpire's investment portfolio with the objectives of providing long-term growth of capital, maximizing the return on assets over the long-term while diversifying investments within asset classes to reduce the impact of losses in single investments.

Endowment net asset composition by type of fund was as follows as of December 31:

NOTE 9 ANNUITY PLAN

All employees of LifeSpire are eligible to participate in the GuideStone 403(b) Plan (the Plan). The Plan provides retirement contributions for those employees completing six months of service and a minimum of 500 hours of service during a six-month period. LifeSpire matches eligible employees' contributions. The match is determined as a percentage of the participant's compensation, not to exceed 3.5% in 2020 and 4.5% in 2021. The participant is fully vested in the matching contribution. LifeSpire may also make discretionary contributions. Participants may make voluntary contributions, not to exceed the lesser of \$18,500 or 20%, with certain exceptions, of their annual compensation during the plan year.

Contributions by LifeSpire were approximately \$798,000 and \$680,000 for the years ended December 31, 2021 and 2020, respectively.

NOTE 10 LIQUIDITY AND AVAILABILITY

LifeSpire invests cash in excess of short-term requirements in short-term investments. In addition, LifeSpire has long-term mutual funds and equity securities which are liquid within one week and hedge funds and equity method securities which are liquid quarterly. As of December 31, 2021 and 2020, LifeSpire had working capital of \$24,046,354 and \$22,581,351, respectively.

NOTE 11 FAIR VALUE MEASUREMENTS

LifeSpire uses fair value measurements to record fair value adjustments to certain assets and liabilities and to determine fair value disclosures. All assets have been valued using a market approach, except for Level 3 beneficial interests in perpetual trusts. Alternative funds held by LifeSpire seek long-term capital appreciation and reduction of overall portfolio risk through investing in hedge funds of funds, real estate investment trusts, or commodities. LifeSpire established alternative investment valuation procedures in which Management validates the fair value reported by the third-party investment manager. For additional information on how LifeSpire measures fair value refer to Note 1 – Organization and Summary of Significant Accounting Policies.

The following table presents the fair value hierarchy for the balances of the assets and liabilities of LifeSpire measured at fair value on a recurring basis as of December 31, 2021 and 2020:

NOTE 11 FAIR VALUE MEASUREMENTS (CONTINUED)

The investment funds are valued at the net asset value (NAV) of units, which are based on market prices of the underlying investments, held by LifeSpire at year-end. TIFF Partners' investment objective is to invest in domestic private equity investment partnerships and to maintain endowment purchasing power for its investors by generating returns greater than those provided by the broader United States stock market. MAP 2004 and MAP 2009 invest in direct and indirect interests in natural gas and oil royalty interests associated with some of the largest, long-life gas fields in the U.S. Commonfund International Partners V invests in approximately 15 to 20 top-tier international private equity and venture capital funds. Venture Investment Associates V was formed to provide investors with significant long-term appreciation through investment in private equity partnerships. SFM Opportunities V, L.P. invest in nonmarketable limited partnership interests in private equity partnerships that invest in the energy sector or other national resources. MAP 2006 invests in direct and indirect royalty interests and entering derivatives in order to reduce the risk associated with the investments. SFM Private Equity I, L.P. invests in nonmarketable limited partnership interests in private equity partnerships with the objective to generate long-term returns greater than those available through traditional public equity investing.

NOTE 12 COMMITMENTS AND CONTINGENCIES

As an agency of the BGAV, LifeSpire receives certain additional support which approximated \$21,000 and \$8,000 during the years ended December 31, 2021 and 2020, respectively.

LifeSpire is subject to legal proceedings and claims which arise in the course of providing health care services. LifeSpire maintains liability insurance coverage for claims made during the policy year. In management's opinion, adequate provision has been made for amounts expected to be paid under the policy's deductible limits for unasserted claims not covered by the policy and any other uninsured liability.

The health care industry is subject to numerous laws and regulations of federal, state, and local governments. These laws and regulations include, but are not necessarily limited to, matters such as licensure, accreditation, government health care program participation requirements, reimbursement for patient services, and Medicare and Medicaid fraud and abuse. Recently, government activity has increased with respect to investigations and allegations concerning possible violations of fraud and abuse statutes and regulations by health care providers. Violations of these laws and regulations could result in expulsion from government health care programs together with the imposition of significant fines and penalties, as well as significant repayments for patient services previously billed.

Liability Insurance

LifeSpire, together with other similar retirement communities in the state of Virginia, is a shareholder of Virginia Senior Care Group, a limited liability corporation whose primary purpose is that of obtaining general liability and professional insurance for its shareholders. Under the terms of the policy, the risk for these entities is pooled and a potential liability for this coverage is actuarially determined. Premiums paid represent a portion of the potential liability, as actuarially determined for the group. In addition, LifeSpire maintains a loss fund deposit in the event that claims exceed the premiums. The policy also provides for umbrella coverage, which functions as an extension of the primary limit. The policy is written on a claims first made basis and has a component of reinsurance. Management has not recorded any liabilities related to this policy as it is not aware of any underfunding within the pool.

Health Insurance

During 2012, LifeSpire began to self-insure its employees' health plan by joining the Heritage Group Health Program, with the exception of The Glebe which joined in 2016. This program, on behalf of LifeSpire and other similar retirement communities in the state of Virginia, has contracted with an administrative service company to supervise and administer the program and act as its representative. Provisions for expected future payments are accrued based on LifeSpire's experience and include amounts for claims filed and claims incurred but not reported. LifeSpire insures for excessive and unexpected health claims and is liable for claims not to exceed \$100,000 for each employee per plan year and an aggregate amount of \$1,000,000 per plan year.

COVID-19

In March 2020, the World Health Organization declared the spread of Coronavirus Disease (COVID-19) a worldwide pandemic. The COVID-19 pandemic is having significant effects on global markets, supply chains, businesses, and communities. Specific to LifeSpire, COVID-19 may impact various parts of its 2022 operations and financial results including but not limited to additional costs for emergency preparedness, disease control and containment, potential shortages of health care personnel, or loss of revenue due to reductions in certain revenue streams. Management believes that they are taking appropriate actions to mitigate the negative impact. However, the full impact of COVID-19 is unknown and cannot be reasonably estimated as of December 31, 2021.

NOTE 13 FUNCTIONAL EXPENSES

The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated on a square footage basis include occupancy, repairs and maintenance, taxes, utilities, other, depreciation and interest expense. Dietary and food services expenses are allocated based on number of meals served. The expenses that are allocated based on the number of units occupied include legal and accounting, marketing, and professional services. Supplies are allocated based on resident days.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors Virginia Baptist Homes, Incorporated dba: LifeSpire of Virginia and Subsidiaries Richmond, Virginia

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Virginia Baptist Homes, Incorporated dba: LifeSpire of Virginia and Subsidiaries (LifeSpire), which comprise the consolidated balance sheet as of December 31, 2021, and the related consolidated statements of operations and changes in net assets (deficit), and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated April 25, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Virginia Baptist Homes, Incorporated dba: LifeSpire of Virginia and Subsidiaries (LifeSpire)'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Virginia Baptist Homes, Incorporated dba: LifeSpire of Virginia and Subsidiaries (LifeSpire)'s internal control. Accordingly, we do not express an opinion on the effectiveness of Virginia Baptist Homes, Incorporated dba: LifeSpire of Virginia and Subsidiaries (LifeSpire)'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Virginia Baptist Homes, Incorporated dba: LifeSpire of Virginia and Subsidiaries (LifeSpire)'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
