Notice: This document is intended to assist carriers in preparing form and rate filings for Individual Short-term Limited-duration (STLD) Health Services Plans for review by the Bureau of Insurance. It provides guidance based on current Virginia laws and regulations in addition to pending legislation.

Short-term Limited-duration insurance coverage means health insurance coverage that has an expiration date specified in the contract that is less than 12 months after the original effective date in the contract and, taking into account renewals or extensions, has a duration of no longer than 36 months in total (45 CFR § 144.103).

Required Disclosures	Federal and/or Virginia Citation	Comments	
Disclosure (Use this disclosure if the policy is effective on or after 1/1/2019) Prominently in the contract and in any application materials; At least 14-point type; Sentence case.	45 CFR § 144.103	This coverage is not required to comply with certain federal market requirements for health insurance, principally those contained in the Affordable Care Act. Be sure to check your policy carefully to make sure you are aware of any exclusions or limitations regarding coverage of preexisting conditions or health benefits (such as hospitalization, emergency services, maternity care, preventive care, prescription drugs, and mental health and substance use disorder services). Your policy might also have lifetime and/or annual dollar limits on health benefits. If this coverage expires or you lose eligibility for this coverage, you might have to wait until an open enrollment period to get other health insurance coverage.
